

Home and Community Based Services (HCBS) Providers Included in the Care Plan Sharing Requirement

This list was reviewed and approved by Minnesota Department of Human Services (DHS) staff. Please refer to the [Community-Based Services Manual \(CBSM\)](#) for the most up-to-date information about these services.

Housing Stabilization Services (HSS) are not included in the Elderly Waiver (EW); however, HSS *are* included in HCBS. For a member to be eligible for HSS, the county case manager must send the HSS provider a complete copy of the member's care plan, as the HSS provider will need to send a copy of the care plan to DHS for eligibility review.
