American Indians can continue or begin to use tribal and Indian Health Services (IHS) clinics. We will not require prior approval or impose any conditions for you to get services at these clinics. For elders age 65 years and older this includes Elderly Waiver (EW) services accessed through the tribe. If a doctor or other provider in a tribal or IHS clinic refers you to a provider in our network, we will not require you to see your primary care provider prior to the referral.

Enrolling in this health plan does not guarantee you can go to a particular provider on this list. If you want to make sure, call that provider to ask whether he or she is still part of this health plan. Also ask if he or she is accepting new patients. This health plan may not cover all your health care costs. Read your Member Handbook carefully to find out what is covered.

Important Information

Care Coordination

As a Medica Choice Care MSC+ member, you will have a Care Coordinator - a nurse or social worker - who will help you obtain covered health care services. The Care Coordinator will also work with you to help you develop and carry out a care plan based on your needs. The Care Coordinator will be in contact with you regularly and will be available to help you with unexpected needs.

After enrolling in Medica Choice Care MSC+ you will receive a letter from Medica with contact information for your Care Coordinator. You may also contact Medica Member Services at any time to get the name of your Care Coordinator or for any other questions.

You can get more information on how to access care coordination services by contacting Medica Member Services at the phone number listed at the bottom of the page.

Clinics

When you become a member of Medica, you can choose or are assigned to a primary care clinic (PCC) or care system. Your primary care clinic (PCC) can provide most of the health care services you need, and will help coordinate your care. This provider will also advise you if you need to go to any specialists. You may change your primary care clinic (PCC). You can do this by contacting Medica Member Services at the phone number listed at the bottom of the page.

Cost Sharing

You may be required to pay an amount toward some health care services. This is called cost sharing. Some examples of cost sharing are copays or deductibles for certain services. You are responsible to pay your cost sharing amount directly to your pharmacy or health care provider. You can get a Member Handbook with more information about cost sharing.

Interpreter Services

American Sign Language (ASL) and language interpreter services are available to help you get services. Oral interpretation can be given to you in your language. You may be able to get written information in your language. Please contact Medica Member Services at the phone number listed at the bottom of the page to get interpreter services.

Long-Term Services and Supports (LTSS)

You may be able to get long-term services and supports (LTSS), such as services provided by the Elderly Waiver (EW) program as a Medica member. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. LTSS are intended to help you live in the community and are typically provided at your home by Home and Community Based Services providers.

You must have a long-term care consultation (LTCC) done and be found to be eligible to get additional services or support. You can ask to have this assessment in your home, apartment, or facility where you live.

Your care coordinator will meet with you and your family to talk about your care needs if you call to ask for a visit.

Your care coordinator will give you information about community services, help you find services to stay in your home or community, and help you find services to move out of a nursing home or other facility.

If you need transition planning and coordination services to help you move to the community, you may be eligible to get Moving Home Minnesota (MHM) program services. MHM services are separate from Elderly Waiver (EW) services, but you must be eligible for EW.

Visit [Medica.com](https://www.medicamn.com) for a list of network Home Care Agencies and Personal Care Provider Agencies. This list is updated monthly and can be searched for using keywords “PCA and HHA Network.” To find out more about these services, refer to your Member Handbook. Call Member Services to get more information on how to access these services.
