

Here's a fast and easy way to find exactly what you are looking for on Find A Doctor for the [Medica Medicare Solutions](#). Just follow the steps below:

1. Select from two search options:

Location Search: Search within a geographic area by entering your zip code.

Name Look up: Search using a name (or partial name) of a provider, clinic or hospital.

2. Select a basic search category.

- Primary Care Physician
- Other Physician Specialties
- Hospital
- Clinic
- Other Services
- Mental Health

Don't know which option to choose? Review the chart below to determine the right category
