If you don't know who your Care Coordinator is,
call Member Services at **1 (888) 347-3630** (TTY: **711**), this call is free.

When to call them

- When you need help finding a doctor, therapist, dentist, or clinic
- If you need help scheduling an appointment
- If you need transportation to an appointment
- When changes happen with your health
- When you have a scheduled procedure or surgery, including outpatient procedures performed in a hospital or clinic
- If you're unexpectedly hospitalized
- If you're struggling with food, housing, or other resources
- If you're having trouble with household tasks such as shopping, cleaning, or cooking
- If you need help to feel safe with bathing or dressing
- If you have a fall or are worried about falling
- If you move to a new home

How they can help you

- Help you find a doctor, therapist or clinic, make appointments, and arrange for no-cost transportation to see health care providers
- Help you arrange dental services
- Work with your health care team to help you with ongoing or new health conditions
- Help you if you've been or plan to be in the hospital by helping you arrange transportation and care
- Give you information about low-income resources available in your community, including food and housing support
- Call you to see how you're doing
- Visit you in your home once a year — and more often if your health changes
- Help improve your safety and arrange services to help you in your home
- Explain the benefits and covered services of your Medica health insurance
- Learn about health conditions and topics such as nutrition, exercise, and fall prevention

Understanding your care + network

Network providers are your best option

You can use any doctor, clinic, or hospital that's currently part of the extensive Medica network. You don't need a referral. Providers in our network can change at any time, so check to make sure your provider, clinic, or hospital is still in the network before your appointment.

Visit [Medica.com/ISNBCdoctors](https://www.Medica.com/ISNBCdoctors) to access our online, searchable provider directory. You may also work with your Care Coordinator or call Member Services at **1 (888) 347-3630** (TTY: **711**) for help, this call is free.

Stay healthy with preventive care

Preventive care, including vaccines and screenings, is the best way to stop health concerns from becoming big problems.

Vaccines against flu, COVID-19, and others help keep you, your family and your community healthy. Regular screenings can catch health issues early, when they're easier to treat.

Find recommended preventive care for you by visiting [Medica.com/Prevention](https://www.Medica.com/Prevention).

Guide available

Medica's How to Get the Care You Need guide provides information about how you can get the most out of your health plan, including:

- Connecting to the care you need
- Understanding what Medica does for you
- Important phone numbers and resources

To view the guide online, go to [Medica.com/HowToGuide](https://www.Medica.com/HowToGuide). To ask for a printed copy, call the Member Services number on page 2 of this guide.

CARE WHEN YOU NEED IT

Health AdvocateSM + NurseLineTM

NurseLine gives you access to highly trained nurses who are available 24/7 at no additional cost to you. They can answer your questions about symptoms, medications and health conditions, and other self-care tips for non-urgent medical issues.*

Have questions about your plan coverage? Our personal health advocates will help you with health - and insurance-related questions. Services are strictly confidential and part of your Medica plan.

Convenience care

Walk-in clinics that treat a limited number of common medical conditions like strep throat, ear infections, or rashes that require care right away. Clinics are available in pharmacies, grocery, and retail stores. No appointment needed. To find a clinic, visit **Medica.com/ISNBCFind**.

*The information offered by the NurseLine is not meant to provide a medical diagnosis or treatment. In an emergency, call 911 or go to the nearest emergency room.

GETTING CARE FROM SPECIALISTS

Vision + eyewear

Your plan covers regular vision care from a network vision provider and one pair of new glasses when medically necessary from Eye-Kraft. Details about eye care coverage are in the eye care section of your Evidence of Coverage. You also get an anti-glare coating on one pair of covered eyewear once every 24 months.

Search the list of network vision providers at [Medica.com/ISNBCdoctors](https://www.Medica.com/ISNBCdoctors) or view the catalog of available Eye-Kraft frames at [Medica.com/PlanDocs](https://www.Medica.com/PlanDocs).

Dental services

You have dental care coverage through Delta Dental of Minnesota and its Minnesota Select Dental network. Delta Dental Member Services has trained staff who can explain what dental services are covered, help with billing issues, provide information about oral health, and help you find a dental provider. You can also find a network dental provider at [Medica.com/ISNBCdoctors](https://www.Medica.com/ISNBCdoctors).

We provide you with additional coverage for these dental services:

- Restorative services: Crown
- Dental education: One call per plan year from Delta Dental of Minnesota to provide education on oral health, dental benefits, and to offer help finding a network dentist, scheduling an appointment, and transportation or interpreter services if needed.

Transplant services provided with care

To ensure you get the highest quality of care, the Centers of Excellence networks through OptumHealth are available to deliver cost-effective, quality health care.

Transplant access program

The Optum Transplant Centers of Excellence network is one of the largest networks, managing more than 14,300 transplant referrals annually.

You have access to the Optum Transplant Centers of Excellence network for transplant services.

Clinically superior care

By choosing an Optum Centers of Excellence network medical center, you'll be more likely to get:

- More accurate diagnoses
- Higher survival rates
- Health care that's planned, coordinated, and provided by a team of experts who specialize in your condition
- Appropriate therapy
- Fewer complications
- Shorter length of stay

It's important and necessary to work with us for any transplant service. Transplant services, including pre-transplant evaluation(s), require prior authorization.

Learn what rewards you might be eligible for at [Medica.com/ISNBCrewards](https://www.Medica.com/ISNBCrewards).

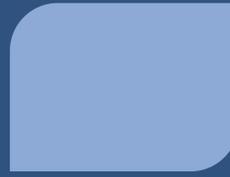

Activity tracker + watch

This ready-to-use Samsung watch will track your activity, monitor your heart-rate, and provide messaging and self-reporting options. Talk to your Care Coordinator to find out how to get one.

*The benefits mentioned are a part of special supplemental program for the chronically ill. Not all members qualify.

**Restrictions and conditions apply.

Your health plan gives you more support

Tobacco cessation

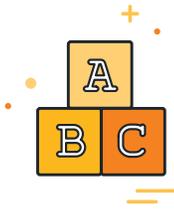

When you're ready to quit tobacco, we're here to help with confidential sessions with a specially trained health coach. You can count on your coach to help you:

- Tap into your motivation
- Set goals and solve problems
- Cheer you on your journey to becoming tobacco-free

If it's medically appropriate, you'll get (OTC) nicotine replacement therapy (NRT) in the form of patches, gum, or lozenges delivered to your home at no additional cost. Your coach may refer to you a prescription NRT if the OTC versions aren't working for you.

Pregnancy program

Pregnancy can be an exciting yet anxious time. You can get the information and support you need to have a safe and healthy pregnancy and more with our program. You will:

- Talk with a program nurse and get your pregnancy questions answered
- Learn about prenatal care
- Identify any potential pregnancy risks and work with the nurse to address them
- Receive pregnancy-related mailings
- Learn about resources available from Medica and in your community

To sign up, call **1 (866) 905-7430** (TTY: **711**) 8 a.m. - 5 p.m. CT, Monday - Friday. This call is free.

Pregnancy support

We've partnered with Ovia Health™ to support female members age 18-46 through the entire parenthood journey with three apps: Ovia, Ovia Pregnancy, and Ovia Parenting. The apps offer personalized guidance, support, and coaching to help achieve your health goals. The Ovia apps are available at no cost from the Apple App Store or Google Play.

Complex care management support

Are you living with a serious or chronic health condition? You're not alone. Case managers can partner with you and your providers to help manage health conditions and create a personalized care plan based on your health goals. Then your case manager will also provide ongoing coordination and support as you're you work toward your health goals. To get started, call **1 (866) 905-7430** (TTY: **711**) 8 a.m. - 5 p.m. CT, Monday - Friday. This call is free.

Understanding your prescription drug benefits

Your medical and prescription drug coverage is all in one plan with the convenience of one ID card and one number to call for member service.

Prescription and pharmacy information on-the-go

Find a network pharmacy, order refills, and more with using the Express Scripts® mobile app. Download the app for free from your mobile device's app store. Or visit our pharmacy network online at [Medica.com/ISNBCdoctors](https://www.Medica.com/ISNBCdoctors). You can also call Member Services at **1 (888) 347-3630** (TTY: **711**), this call is free.

Retail pharmacy network

Our pharmacy network has more than 1,500 pharmacies, including national chains and independent pharmacies. Fill your prescriptions at a network pharmacy for the best prescription prices (copays may apply). Always bring your Medica ID card with when picking up a prescription.

If you can't get to a pharmacy, ask the pharmacy if it can mail your prescriptions to you free of charge, or if it offers free home prescription delivery.

Get your diabetic supplies at the pharmacy

Did you know you can get your diabetic test strips and other supplies from your pharmacy? Save time and pick up your supplies when you pick up your prescriptions. Talk to your prescriber and pharmacist for more information.

FORMULARY (LIST OF COVERED DRUGS)

Ask your health care provider to make sure the drug they prescribe is on the Medica List of Covered Drugs. Visit [Medica.com/2023Drugs](https://www.medicamember.com/2023Drugs) to find and download the most current List of Covered Drugs, or call Member Services at **1 (888) 347-3630** (TTY: **711**), this call is free. Note: We may make changes annually and throughout the benefit year.

Medication Therapy Management

Our Medication Therapy Management (MTM) program helps prevent or reduce drug-related risks, boosts your medication knowledge, and supports good habits. You need to meet three qualifying conditions to be eligible for the program. Visit [Medica.com/MTM](https://www.medicamember.com/MTM) to review conditions. We'll automatically enroll you in the program at no cost to you if you qualify. Participation is voluntary and doesn't affect your coverage. The program isn't a benefit to all members, and it's available by invitation only.

Convenient mail order services

Save time and money by filling your long-term prescriptions* through the mail. You can get a 90-day supply of medication from Express Scripts for the same copay as a 30-day supply with no shipping or handling fees. Access the Express Scripts website through our secure Medica member website, or use the Express Scripts app to get started.

*A long-term medicine is one you take regularly for chronic conditions or long-term therapy.

Track your medications

It's important to take the right medications at the right time. Here are three easy tips to help you get and stay organized:

- Keep all of your medications together in one place.
- Use a pill organizer to help you sort your medications by day. Use more than one if you need to organize morning, lunch, dinner, or bedtime medications.
- Set your alarm or post a note on your phone, refrigerator, TV, or computer to alert you.

Medicare Star Ratings

The Centers for Medicare & Medicaid Services (CMS) rates all Medicare health and prescription drug plans each year, based on a plan’s quality and performance. These Star Ratings help tell you how well your plan is doing. You can also use these to compare our plan’s performance with other Medicare plans in your area. Medica’s Special Needs BasicCare with Medicare plan currently has a 3.5-Star Rating (out of 5) for the 2022 plan year.*

*Every year, Medicare evaluates plans based on a 5-star rating system.

Aiming for excellence — your feedback helps

During the year, you may be asked to fill out surveys about your satisfaction with Medica, or about your physical and mental health. Your feedback helps us improve your experience. Responses are confidential and won’t affect your Medica membership.

**You're not just covered,
you're cared for.**

Medica AccessAbility Solution® Enhanced is an HMO D-SNP plan that contracts with both Medicare and the Minnesota Medical Assistance (Medicaid) program to provide covered services of both programs to enrollees. Enrollment in Medica AccessAbility Solution Enhanced depends on contract renewal.
