\*Only for Reason Code 4. Network Structure, Enrollees in Network, Affected Enrollees, and Percent Not Covered only needed if reason code is 4 and provider type is Primary Care, Pediatric Services Providers [Primary Care], General Hospital and Mental Health.

As part of this waiver request for all reason codes, a carrier must demonstrate with specific data that the geographic access standards cannot be met in a particular service area or part of a service area and also state what steps were and will be taken to address the network inadequacy (MN Statutes § 62K.10, subdivision 5).

## Reason Codes

1. Carrier has conducted a good faith search for providers and determined that there are no providers physically present in the service area of the type requested in the waiver. MDH will not grant a waiver for this reason code unless the carrier demonstrates, with specific information, that there are no providers physically present in the part(s) of the service area for which the waiver is sought.
Specific information may include provider directories and sources consulted, physical geography that affects the location of providers, or other information that affects the availability and location of providers. Telemedicine may be used as a means to provide access when there are no providers physically present to meet the standard. The carrier should describe how it will assess the availability of providers who begin practice in the service area where the standard cannot currently be met. State what steps will be taken to address the network inadequacy.

- Provider does not meet carrier's credentialing requirements. Carrier must cite the reason(s) provider does not meet carrier's credentialing requirements. State what steps were and will be taken to address the network inadequacy.
- Carrier has made a good faith effort to contract with provider and provider has refused to accept a contract.State what steps were and will be taken to address the network inadequacy.
- 4. For all Reason Code 4, you must state the following information:
  - a. Specify the network structure: ACO or Narrow Network. (In Section 1 above.)
- b. State the total number of estimated enrollees in the network as of the submission date of waiver. (In section 1 above.)
- c. State why the geographic access standards cannot be met. Explain why full geographic access is not possible with this network design.
- d. State how access will be provided for this provider type for the enrollees of the affected county.

Additionally, for Reason Code 4, only for **Primary Care**, **Pediatric Services Providers** [**Primary Care**], **General Hospital and Mental Health provider types**, you must select only one county per line. See the Provider Network Adequacy Instruction for further direction. If the carrier would like to request a waiver for an additional county for the same provider type, they will need to add an additional line to allow for the specific additional information to be provided. For these same 4 provider types, the carrier must also complete the following fields:

- e. State the total number of estimated enrollees affected in the county not meeting the geographic standard as of the submission date of waiver.
- f. State the estimated percentage of area in that county that is not covered.
