# About Medica Choice National

Your employees want care that's easy to access and simple to use. They want a network that gives them the freedom to see any provider at any time — including direct access to specialists. Medica Choice National gives your employees a national network with more than one million providers. Members can see any network provider, at any time, without a referral regardless of if they live across the street or across the country.

## **Medica Choice National offerings:**

- Quick and easy access to nationwide benefits
- One dedicated call center for all members — no matter where they live
- Flexibility and freedom to see any network provider
- Availability to employers in Nebraska and Iowa

## **Medica Choice National provides administrative ease**

With Medica Choice National, you'll see benefits from a streamlined process:

- The ability to offer common benefits for all employees — locally or across the country
- A smooth enrollment process
- One point of contact for account management, billing, eligibility, and member services
- A single member services center with one phone number for all employees
- All claims processed through a single system for easy reporting and consistent claims payment

## **Reliable benefits + service for all of your employees**

Whether you're a local or multistate employer, Medica Choice National provides your employees with excellent benefits, plus easy access to Medica's health and wellness programs, virtual care, a helpful digital experience, and much more.

# Members have access to a large national network

Your Medica Choice National plan also comes with virtual and behavioral health care options, and wellness extras to help your employees stay healthy and feel better.

## A plan that's right for any group

When your broker helps you choose the plan that's right for your team and your budget, remember that Medica Choice National is available as a traditional or high-deductible health plan with a health reimbursement account (HRA), health savings account (HSA), or flexible spending account (FSA).
