# About Medica Choice Passport

Your employees want care that's easy to use. Medica Choice Passport gives your employees access to a large, national network and the freedom to see any network provider. Medica Choice Passport also:

- Offers consistent nationwide benefits and one dedicated call center for all employees
- Delivers streamlined administration
- Features access to one of the nation's largest networks
- Delivers savings through network discounts

## **Medica Choice Passport is easy to manage**

With Medica Choice Passport, you'll benefit from streamlined administration with:

- Common benefits for all employees, whether they're all based locally or spread across the country
- A standard enrollment process
- A single point of contact for account management, billing, eligibility, and customer service
- One member service center and phone number

## **Easy-to-use benefits for your employees**

Whether you're a local or multistate employer, Medica Choice Passport provides your employees with rich benefits, including virtual and behavioral health care options, plus wellness extras<sup>1</sup> and an easy-to-use digital experience to help your employees stay healthy and feel better.

<sup>1</sup>These programs are included with fully insured plans. Some are included with self-insured plans, while others are available at an additional fee.

<sup>2</sup>The Medica Choice Passport main service area consists of Minnesota, South Dakota, North Dakota, and western Wisconsin.

# A large, national network with amazing discounts

While your employees can see any provider across the nation, they get the best coverage and have lower out-of-pocket costs when they choose a network provider. Medica Choice Passport offers full network access throughout the Midwest and across the nation. For care received within the Medica Choice Passport main service area<sup>2</sup>, members have access to the Medica Choice network – one of the region's largest provider networks. When members get care outside of the service area, they'll be in the UnitedHealthcare national network, one of the nation's largest.

## The right plan for every group

There's a Medica Choice Passport plan for every group. Your broker will help you choose the plan that's right for your employees and your budget. And remember that Medica Choice Passport is available as a traditional or high-deductible health plan with a Health Reimbursement Account (HRA), Health Savings Account (HSA), or Flexible Spending Account (FSA).
