The List of Covered Drugs is also called the “Drug List.”

We made changes to our Drug List, which could include removing or adding drugs, or changing the restrictions that apply to our coverage for certain drugs.

Review the Drug List to **make sure your drugs will be covered next year** and to find out if there will be any restrictions.

If you are affected by a change in drug coverage, we encourage you to:

- ❖ Work with your doctor (or other prescriber) to find a different drug that we cover.
 - You can call Member Services at the numbers at the bottom of the page or contact your care coordinator to ask for a list of covered drugs that treat the same condition.
 - This list can help your provider find a covered drug that might work for you.
- ❖ Work with your doctor (or other prescriber) and ask us to make an exception to cover the drug.
 - You can ask for an exception before next year, and we’ll give you an answer within 72 hours after we get your request (or your prescriber’s supporting statement).

If you have questions, please call Medica Accessibility Solution Enhanced at 1 (888) 347-3630, (TTY 711), Oct. 1 – March 31 from 8 a.m. – 9 p.m. CT, 7 days a week and April 1 – Sept. 30 from 8 a.m. – 9 p.m. CT, Monday – Friday.
