Health screenings save lives.

When a condition is detected early, it can be much easier to treat, with better outcomes. Plus, screenings may be covered by your health plan. Not sure what screenings you may need or what's covered?

Medica® CallLink nurses can help you sort it out.

Call any time, 24/7, for help with:

- Making an appointment for a screening or doctor visit
- Finding a nearby doctor or urgent care center
- Learning about a diagnosis and treatment options

24/7 Medica CallLink Nurse Line

1-800-962-9497

TTY users, please call 711 and ask for the number above.

This service is available at no additional cost as part of your health plan. You can also chat with a nurse online at [mymedica.com](https://www.mymedica.com).

Your call will be kept confidential in accordance with your health plan's privacy policy.

For informational purposes only. This service should not be used for emergency or urgent care situations. In an emergency, call 911 or go to the nearest emergency room.
