

MEDICA®

HOW TO GET THE CARE YOU NEED

Medica Individual and Family Plans

HOW TO GET THE CARE YOU NEED

Your guide to Medica

Medica is here for you

We are happy to have you as a member. Your health coverage is a valuable resource to help you receive quality health care. This guide explains some of your health care options and has important information about your rights and responsibilities as a consumer. It also tells where to find more information if you need it.

This guide has been developed for Medica's Individual and Family Plans members. Please take a few minutes to review this guide. You may not need all of this information today, but it may be helpful in the future.

File it

Please read and save this document. It may help whenever you have questions about your coverage. Some Medica members use a file folder to keep all of their health care information in one place. Typical items you may want to include in your health care file are:

- Your policy document, called a "Policy of Coverage"
- "Summary of Benefits and Coverage" (SBC) document
 - Note: View or download your SBC at **medica.com/members**. Enter your plan name or care type (found on your member ID card).
- Any "Explanation of Benefits" you receive
- Information from your provider or clinic
- Immunization records for each family member
- Information about your prescriptions
- Information about dental or orthodontic care
- Information about eye care
- Receipts for copayments, prescriptions or other medical expenses

Some programs and services may not be available to all members, depending upon your health insurance plan.

If any information in this guide conflicts with your policy document, your policy document will govern in all respects.

FIND WHAT YOU NEED ONLINE

Get the information you need about your benefits online. Go to **medica.com/members** and enter your plan name or care type (found on your member ID card). Throughout this document, we'll let you know whenever more information is available online.

ABOUT YOUR COVERAGE

Your “Policy of Coverage” is a document that explains what is and is not covered by your health insurance plan. It also explains what portion, if any, you will pay for health services. Throughout this guide, we use the term “policy document” to refer to your Policy of Coverage. To access your policy document, go to medica.com/members. Enter your plan name or care type (found on your member ID card).

In most cases, you can find answers to questions about your health insurance benefits in your policy document. If you cannot find what you need, call Customer Service. You’ll find their number in the Important phone numbers section of this guide or the back of your Medica ID card.

Deductibles, copayments or coinsurance may apply

Payment of a deductible, copayment or coinsurance may be required for services received from a provider, hospital or for a prescription at a pharmacy.

- Deductible—the amount you pay each year before your insurance starts to pay (for example, \$1,000).
- Copayment—a fixed dollar amount you pay upfront for some services or prescriptions (for example, \$30). Payment may be required at the time of service at the provider’s office.
- Coinsurance—a percentage of the charges that you pay for a given service (for example, 30% coinsurance).

You can find a complete listing of all your copayments or coinsurance in your policy document or by calling Customer Service. See the Important phone numbers section of this guide.

See your policy document for the complete definitions of these terms and whether they apply to your plan.

How to submit claims

Network providers will submit claims for you. Claims for services received from a non-network provider must be submitted on an itemized claim form by you or the non-network provider. Send these claims to the address on the back of your Medica ID card. Most non-network providers will have the proper claim form. If yours doesn’t, you can download the form at medica.com/members, enter your plan name or care type (found on your member ID card), and select Claims and Benefits. Or call Customer Service. If you paid for this service and will be submitting the claim yourself, include copies of any bills, receipts or itemized statements from all providers.

Please note that claims for non-network providers must be submitted within 365 days from the date of service. Please see your policy document for details.

Coverage for hospital services

If you need care at a hospital, coverage for outpatient and inpatient care varies by plan. In some cases—such as care for children or transplant services—you may need to go to specialty hospitals. Also, if you are out of your Medica plan’s service area and require hospitalization, refer to your policy document to learn how to receive your highest level of coverage. You also may contact Customer Service for more information about your benefits and to make sure that the hospital you want to use is in your plan’s network. You can look up network hospitals online. Go to medica.com/members, enter your plan name or care type (found on your member ID card) and select Physicians and Facilities.

Post-mastectomy coverage is available

The Women’s Health and Cancer Rights Act requires health insurers and group health plans that cover mastectomies to provide certain benefits if a member chooses reconstructive surgery after a mastectomy. The law also requires health plans to provide members with written notice that this coverage is available.

Women who have breast cancer often have a mastectomy to remove all or part of the breast. Medica members who have a mastectomy are covered for mastectomy benefits.

Refer to your policy document to see how your plan covers the following:

- Reconstruction of the breast on which the mastectomy was performed.
- Surgery and reconstruction of the other breast to produce a balanced look.
- The cost of prosthesis and the treatment of any physical complications resulting from mastectomy. This includes treatment of lymphedema, the swelling sometimes caused by surgery.

Some members may have to pay a deductible, copayment or coinsurance. The amount will be consistent with the deductibles, copayments or coinsurance for other benefits in your plan. To determine the amount you would have to pay, see your policy document.

CONNECTING YOU TO THE CARE YOU NEED

At Medica, we will do our best to make sure you and your family receive the very best health care. We start by connecting you with health care providers who deliver the care you need.

Your primary care provider

Your primary care provider is your medical “home.” This is the provider you choose to see on a regular basis.

There are four types of primary care providers. Some work only with women or children. If you need to choose a primary care provider, the following descriptions can help you decide which type would best meet your needs.

Family Practice—Doctors who provide care for the whole family—all ages, both sexes, each organ system and every type of disease. This specialty provides continuing, comprehensive health care for the individual and family.

Internists—Doctors who specialize in complex illnesses of adults, especially medical conditions that affect internal organs.

Pediatricians—Doctors who specialize in taking care of the general health needs of children, from birth to about age 17.

Obstetricians/gynecologists (OB/GYN)—Doctors who specialize in pregnancy, childbirth and diseases/problems of the female reproductive system. They are also trained in routine preventive and reproductive services.

To learn about the qualifications of a primary or specialty provider, you can contact the State Board of Medical Practice or State Board of Medical Examiners. You also can check your state’s government website.

Finding a physician or facility

There is a fast, easy online tool you can use to search for health care providers in your plan’s network. You can search for primary care physicians, specialists, clinics, hospitals and other care providers. Go to medica.com/members, enter your plan name or care type (found on your member ID card) and select Physicians and Facilities.

Please confirm with the provider’s office that they are part of your plan’s network before your first visit. If you have questions about whether your provider or clinic is in your plan’s network, your benefits or coverage, call the Customer Service number on the back of your Medica ID card.

Important! If you see a provider who’s not in your plan’s network, you usually submit your own claim and **your costs may be significantly higher**. For more detailed information about out-of-network costs and how they’re calculated, refer to your policy document, see the *Out-of-network Care* tip sheet at medica.com/ifbmembertips or call Customer Service.

Making appointments

When you are sick or need to see a provider for preventive care, simply contact your primary care provider to make an appointment. Call your provider to make sure they are in your plan’s network.

Specialty care

Perhaps you and your primary care provider decide you need to see a specialist. Coverage for specialty care varies by plan. Keep in mind that it may take up to six weeks to get a specialist appointment.

Do you need help finding a specialist or scheduling an appointment? Health Advocate can help you find the right providers and schedule appointments with hard-to-reach specialists and critical care providers. Health Advocate is an independent service available to all of our Individual and Family members and their extended family—even if the family member does not have Medica coverage. Call Health Advocate at **1-866-668-6548**.

Medica has procedures for seeing specialists of many kinds. To be sure that you receive maximum coverage, read your policy document and follow the steps outlined there. You can access your policy document any time on medica.com/members. Enter your plan name or care type (found on your member ID card).

How providers are added to our network

When a provider wants to join a Medica network, we look at the provider’s education, experience and past performance. We do this to make sure you have access to providers who meet our quality standards.

Behavioral health services: Mental health and substance abuse care

If you or a family member needs mental health or substance abuse services, you should follow the steps outlined in your policy document. You can also call Customer Service.* See your policy document for phone numbers. If you have an emergency, call 911.

**Before 2014, policyholders could choose to purchase mental health and substance abuse coverage at the time they applied for coverage with Medica. As a result of the Patient Protection and Affordable Care Act (ACA), starting January 1, 2014, this benefit is included in all ACA policies. If you did not buy one of the new ACA policies, you may or may not have this coverage. Check your policy document or call Customer Service.*

Care after regular clinic hours

If possible, make an appointment to see your primary care provider first. Your primary care provider is the person who knows the most about your medical history. Even when the clinic is closed, you can call and leave a message for your provider. Many clinics have on-call staff that can help you get the care you need.

If after-hours care from your regular clinic isn't available, you can access virtual care, visit a retail health or urgent care clinic in your plan's network. These are included in the online provider search tool on **medica.com**. For most members, help finding a location close to you is available through the Health Advocate NurseLine™. You can contact Health Advocate at **1-866-668-6548**. Retail health and urgent care clinics can be found at **medica.com/members**. Enter your plan name or care type (found on your member ID card) and select Physicians and Facilities.

Retail health clinics and online care

Retail health clinics are staffed with licensed providers who can treat common illnesses and provide certain preventive services for people older than 18 months. Some of the illnesses they can treat are the common cold, sore throat or an ear infection. They can't treat life-threatening emergencies. Clinics like Minute Clinic® provide after-hours care and are located in many retail stores, grocery stores or pharmacies, primarily in Minnesota, Nebraska and Kansas. Search for locations on **medica.com/members**, enter your plan name or care type (found on your member ID card) and select Physicians and Facilities. (Please note, retail health clinics may not be available in some areas.)

Retail health clinics have daytime and evening hours. Some also are open on weekends and holidays. You don't need to

make an appointment, just walk in. Care is given on a first-come, first-served basis.

Don't want to leave your home? You can also visit **virtuwell**® for an online or virtual visit (not available in Kansas or Nebraska*). Go to **virtuwell.com** to get started. You will receive a text message or email within 30 minutes or less. The text or email will have your diagnosis and treatment plan.

**To use virtuwell, you must live or be visiting the following states: Arizona, California, Colorado, Connecticut, Iowa, Michigan, Minnesota, New York, North Dakota, Pennsylvania, Virginia or Wisconsin.*

Urgent care

If your primary care clinic is closed, urgent care is a good place to go for things like earaches, strep throat, fever, a sprained ankle or minor cuts. Urgent care centers are staffed by doctors and nurses, but they are not for life-threatening emergencies. They are open days and evenings and many have weekend and holiday hours. You don't need to make an appointment, just walk in. Care is given on a first-come, first-served basis.

Search for locations on **medica.com/members**, enter your plan name or care type (found on your member ID card) and select Physicians and Facilities.

Emergency care

A medical emergency is something that needs treatment right away. It requires prompt medical attention to: preserve life; avoid serious physical or mental harm; avoid serious damage to body functions, organs or parts; or because there is continuing severe pain.

Hospitals usually offer emergency room services. If you experience an emergency, visit an emergency room. But please do not go to an emergency room for a minor problem or routine health concern. If you go to the emergency room, it will cost you a lot more than care elsewhere. It also may take more of your time because emergency rooms treat patients with the most serious cases first. Please only go to the emergency room for true emergencies so the doctors and nurses are able to treat persons in those situations right away.

If your condition doesn't need treatment right away, go to your primary care clinic. If that office is closed, use an urgent care, a convenience care/retail health clinic or an online visit with **virtuwell.com** (not available in Kansas and Nebraska).

If you or a family member has one of the conditions listed below, go to an emergency room immediately or call 911.

Medical emergencies may include:

- Poisoning or drug overdose
- Trouble breathing or shortness of breath
- Pain or pressure in your chest or above your stomach
- Warning signs of stroke: sudden dizziness or change in vision; sudden weakness or numbness; trouble speaking or understanding speech
- Vomiting that won't stop
- Bleeding that won't stop after 10 minutes of pressure
- Coughing up blood or throwing up blood
- Sudden, sharp pain anywhere in the body
- Loss of consciousness or convulsions
- Broken bones or fractures
- Injury to your spine
- Major burns
- Wanting to hurt other people or yourself
- Change in mental status, such as unusual behavior

Medical emergencies are always covered at the in-network level, even if the provider is not in your plan's network.

Care when you travel

If you travel out of your Medica plan's service area, you may have access to a national provider network that allows you to receive covered services at network-level benefits. Go to **medica.com/members**, enter your plan name or care type (found on your member ID card) and select Physicians and Facilities. Please note, emergency services will be covered at network-level benefits, regardless of the provider you use. You can use **virtuwell** from anywhere at the in-network benefit level (not available in Kansas and Nebraska). Some national pharmacies are also available to you.

Carry your Medica ID card when you travel. It has many important telephone numbers to help you access advice about your health care and coverage. Most Medica members who are ill can call the Medica Health Advocate nurse advice line for health care advice. You can call Health Advocate at **1-866-668-6548**.

If you are admitted to a hospital while out of Medica's service area, notify Medica as soon as possible by calling Customer Service. The phone number is on the back of your Medica ID card.

EXAMPLES: HOW TO DECIDE WHERE TO GO FOR CARE

Sometimes you need to decide what to do when you have a health question. Here are some examples of things that come up in everyday life.

Fussy child. Your 2-year-old child has been fussy all day. She has a fever and doesn't want to eat. She is tugging at her ear and is starting to cry.

Options:

- 1) If it's a weekday, contact your child's primary clinic and describe your child's behavior to your provider. You may be directed to come in to the clinic.
- 2) If it's an evening or weekend, call your child's clinic, but if it's closed, call the HealthAdvocate™ NurseLine™ and talk with a nurse about your child's behavior. You may be directed to go to the closest retail health clinic or urgent care facility.

Sore throat. You have a sore throat, feel achy all over and have a fever.

Options:

- 1) If it's a weekday, contact your primary clinic and describe your symptoms to your provider. You may be directed to come in to the clinic.
- 2) If it's an evening or weekend, call your clinic, but if it's closed, call the HealthAdvocate NurseLine and talk with a nurse about your symptoms. You may be directed to go to the closest retail health clinic or urgent care facility.
- 3) Log on to **virtuwell.com** and check your symptoms. A virtuwell health care professional will respond to you within 30 minutes by text message or email (not available in Nebraska).

Asthma. Your 7-year-old son has asthma. After playing in the back yard with his friends all day, he's coughing, wheezing and complaining that his chest feels tight.

Immediately help him take his quick-relief medicine. Follow the asthma action plan given to him by his doctor. Call his doctor or, if needed, take him directly to the emergency room.

24-Hour nurse advice line

Often, the help you need may be available by phone! Medica offers the HealthAdvocate NurseLine* for those times when you want some advice about what to do next. Nurses are available 24 hours a day, seven days a week. They answer thousands of calls each year from Medica members.

You can talk with an experienced registered nurse who can answer health care questions and/or give self-care tips. Nurses can also recommend when you should make an appointment with your doctor, or go to a retail health clinic, an urgent care center or the emergency room.

You also can get help finding a provider or, if necessary, an urgent care facility, in Medica's network. Call HealthAdvocate NurseLine at **1-866-668-6548**.

**The information offered by HealthAdvocate NurseLine is not meant to provide a medical diagnosis or treatment. Always seek the advice of your doctor or other qualified health provider if you have questions about a medical condition.*

Support for managing your health: Healthy Living with Medica

Health improvement is ongoing and you are a unique person, not a disease or a symptom. That's why we offer a health and wellness online tool through Healthy Living with Medica®. This program supports individuals by helping them make health behavior changes and manage health conditions.

Healthy Living with Medica is a fun, easy and interactive online tool that helps you improve your health one choice at a time. You can receive discounts to gym memberships and personal trainers, local dining and more. Create a personalized wellness program and receive points for taking positive steps in your program. You can use points for local deals, entering raffles or contributing to charities.

Other important health improvement resources through Healthy Living with Medica include weight loss and stop smoking groups. For more information, log on to **medica.com/healthyliving**.

MEETING YOUR INDIVIDUAL HEALTH CARE NEEDS

No two Medica members are alike or have exactly the same needs. That's why Medica offers additional services. We want to make it easier to access the care you need.

Interpreter services

Clear communication is important when talking about your insurance benefits. Do you need help in a language other than English? Customer Service can connect you with an interpreter. Medica works with a service that provides interpreter services in more than 150 languages. In some cases, you also may have the right to receive certain written notices in a language other than English.

Services for TTY users

TTY users, call **711** to reach a representative who can answer your questions.

Tobacco: Kick the habit for good

Whether you are thinking of quitting, ready to quit or have the urge to start smoking again, Medica can help.

Medica offers a stop smoking (tobacco cessation) program through Healthy Living with Medica that provides guidance and support throughout the quitting process. If you use tobacco and are thinking about quitting, go to **medica.com/members**, enter your plan name or care type (found on your member ID card) and select Health and Wellness.

Pharmacy services: your prescription drug benefits

The Medica drug list is comprised of drugs that provide the most value and have proven safety and effectiveness. This list has a wide variety of generic and brand-name drugs. It is reviewed and updated by an independent group of physicians and pharmacists. You can find a list of covered drugs on **medica.com/members**. Enter your plan name or care type (found on your member ID card) and select Pharmacies and Prescriptions.

Pharmacy Benefits

Your plan includes prescription drug coverage and a range of convenient services and options for filing and managing your prescriptions

Your drugs will be covered under one of seven different price categories (called tiers) that are arranged according to drug costs. Your cost may vary depending on which tier your drug belongs.

Drug tiers;

- Preventive drugs are covered at 100%
- Retail drugs are divided into four tiers: preferred generic, generic, preferred brand and non-preferred brand
- Specialty drugs are divided into two tiers: preferred specialty and non-preferred specialty

Before you fill your prescription, check to see if it is covered. Check your policy document online at medica.com/members. Enter your plan name or care type (found on your member ID card) and select "Find forms." Or call the Customer Service number on the back of your ID card for more information.

Exception Process

Please see your policy document for specific information on your pharmacy benefits. Some plans may not offer an exception process.

The physicians and pharmacists who develop and maintain the drug list work to include medications for all therapeutic needs. Still, there are times when you may need a medication that is not covered and your doctor may request an exception. We will review these requests and you will be notified if an exception request is approved or denied.

Continuity of care

If Medica terminates its contract with your provider without cause,* you may not need to change providers immediately to receive the highest level of benefits.

**Note: Continuity of care does not apply when Medica terminates a provider's contract for cause.*

Continuity of care may apply:

1. If you are a member of an Iowa, Kansas, North Dakota or Nebraska plan and you have special health needs.

In certain situations, you may have a right to continue care with your current provider at the highest level of benefits.

Medica may authorize continuity of care up to 90 days or until the active course of treatment is complete for the

following conditions. Authorization to continue to receive services from your primary care provider, specialist or hospital may extend to the remainder of your life if a physician certifies that your life expectancy is 180 days or less.

- An ongoing course of treatment for a life-threatening condition;
- An ongoing course of treatment for a serious acute condition, such as chemotherapy;
- Pregnancy in the second or third trimesters, through the postpartum period; or
- An ongoing course of treatment for a health condition for which a treating physician or health care provider attests that discontinuing care by that physician or health care provider would worsen the condition or interfere with anticipated outcomes.

2. If you are a member of a Minnesota plan and you have special health needs.

In certain situations, you may have a right to continue care with your current provider at the highest level of benefits. If Medica's contract with your *primary care provider or specialist* ends, Medica may authorize continuity of care for up to 120 days* or until the active course of treatment is complete for the following conditions.

- An ongoing course of treatment for a life-threatening physical or mental condition;
- An ongoing course of treatment for a serious acute condition, such as chemotherapy;
- Pregnancy in the second or third trimesters, through the postpartum period;
- An ongoing course of treatment for a health condition for which a treating physician or health care provider attests that discontinuing care by that physician or health care provider would worsen the condition or interfere with anticipated outcomes;
- A physical or mental disability defined as an inability to engage in one or more major life activities, provided that the disability has lasted or can be expected to last for at least one year, or can be expected to result in death; or
- A disabling or chronic condition that is in an acute phase.
- If Medica's contract with your hospital ends, Medica may authorize continuity of care for up to 120 days* for the following conditions:
 - An acute condition;

- A life-threatening mental or physical illness;
- Pregnancy beyond the first trimester of pregnancy;
- A physical or mental disability defined as an inability to engage in one or more major life activities, provided that the disability has lasted or can be expected to last for at least one year, or can be expected to result in death; or
- A disabling or chronic condition that is in an acute phase.
- In addition, if Medica's contract with your primary care, specialist or hospital ends, upon request, Medica may authorize continuity of care up to 120* days:
- If you are receiving culturally appropriate services and Medica does not have a network provider who has special expertise in the delivery of those culturally appropriate services within certain time and distance requirements; or
- If you do not speak English and Medica does not have a network provider who can communicate with you, either directly or through an interpreter, within certain time and distance requirements.

**Note: Authorization to continue to receive services from your primary care provider, specialist or hospital may extend to the remainder of your life if a physician, advanced practice registered nurse or physician assistant certifies that your life expectancy is 180 days or less.*

3. If you are a member of a Wisconsin plan and your provider was a Medica provider until recently.

Wisconsin members may be eligible for continuity of care if your provider was listed in your Medica provider directory at the last enrollment period or your last coverage renewal period.

- You may be able to continue receiving care from your primary care physician up to 90 days after the provider's participation terminates or through the end of the current contract period, whichever is later.
- You may be able to continue receiving care from your primary care physician up to 90 days after the provider's participation terminates, through the end of the current contract period or the anniversary of your original effective date, whichever is later.

Provider Terms

If your provider agrees to comply with Medica's prior authorization requirements, provides Medica with all necessary medical information related to your care, and accepts as payment in full the lesser of Medica's network provider reimbursement or the provider's customary charge for the

service, then the provider will not be permitted to bill you for the amount in excess of your in-network deductible and coinsurance or copay described in your Schedule of Payments. If your provider does not agree to these terms, in addition to the deductible and coinsurance described in your Schedule of Payments for in-network benefits, you will be responsible for any charges in excess of the non-network provider reimbursement amount.

How Medica makes a decision

We may require medical records or other supporting documents to review your request. We consider each request on a case-by-case basis. If your request is denied, we will explain the criteria we used to make our decision and provide you with your appeal rights. Coverage will not be provided for services or treatments that are not otherwise covered.

If Medica authorizes your request to continue care with your current provider, Medica will explain how long continuity of care will be provided. After that time, your services or treatment will need to move to a provider in your plan's network for you to receive benefits at the highest level.

Please see your policy document for more information.

Advance directives: Making your wishes known

Laws on advance directives provide guidance about instructions you can write telling your doctors and family what kind of care you want if you are too sick to make health care decisions yourself.

The name says it all. Your instructions are written in advance, before something happens, such as a head injury that causes a coma, Alzheimer's or the last stages of cancer. It's not hard to make an advance directive and it helps protect your right to make choices about your medical care.

An advance directive is a written instruction, such as a living will or health care power of attorney. Your instructions must be written and must also be signed by a witness. A living will tells others what kind of care you want if you are not able to tell them yourself. A health care power of attorney allows someone else you choose to make care decisions on your behalf.

Your Medica coverage does not require you to create advance directives. We are simply letting you know about your option to do so. For more information about advance directives, contact your state's agency on aging or visit their website.

KEEPING YOURSELF AND YOUR FAMILY HEALTHY

One of the easiest ways to prevent illness and stay healthy is to make sure all members of your family follow the recommendations for screenings, preventive services and immunizations. You may want to follow the guidelines developed by the U.S. Preventive Services Task Force. Check out Medica's online tool to learn which routine or preventive services are recommended for you by visiting medica.com/prevention. It is important that you discuss your care needs with your doctor. Your family's health history may affect what care you need.

Please review your policy document to determine if or how these services are covered for you.

MEDICA'S ROLE IN YOUR HEALTH CARE

Quality improvement

Medica's Quality Improvement program is made up of the projects and activities Medica performs to improve care, service, access and safety for our members. Medica chooses projects based on the best opportunities to improve care, service and safety for the greatest number of members.

These are just some of the areas we focus on:

- How can we help our members with chronic health problems?
- How can we help our members adopt healthy lifestyles and receive preventive care services?
- How can we help our members be sure the care they receive is safe?
- Do our complaint or grievances and appeals processes work fairly and efficiently?
- How can we improve Medica's work processes to serve our members better?
- Do our members receive quality mental health and substance abuse care and service?*

** Before 2014, a policyholder could choose to purchase mental health and substance abuse coverage at the time they applied for coverage with Medica. As a result of the Patient Protection*

and Affordable Care Act (ACA), starting on January 1, 2014, this benefit is included in all ACA policies. If you did not buy one of the new ACA policies you may or may not have this coverage. Check your policy document or call Customer Service.

Medica sets goals and measurements after we select a quality improvement project. We measure the effectiveness of the improvement throughout the project. Every three months, Medica prepares a progress report with updates on each project.

The Quality Improvement program is led by licensed physicians. Quality Improvement activities are supported by departments and staff throughout Medica. Medica's Quality Improvement Subcommittee directs and oversees the program. The committee reports to the Medica Board of Directors.

Medica always welcomes member feedback! If you'd like to share your comments or suggestions or would like more information about Medica's Quality Improvement program, please contact Customer Service at the numbers listed in the Important phone numbers section of this guide.

If you get a survey from Medica asking about care and services, we encourage you to respond. This information helps us measure how we are doing.

Care coordination

Medica supports quality, cost-effective health outcomes that meet the needs of our members. Care coordination involves many people working together with your health care provider. Together, they help evaluate the available care options before making decisions.

One aspect of care coordination is care support. We reach out by phone to members who have a critical event or diagnosis that requires using several health care resources. We will help you navigate the health care system to get the appropriate care and services for your needs.

A Medica case manager is a registered nurse or social worker who is able to help you with your medical, social and everyday needs. Your Medica case manager will work with you to create a plan to keep you healthy and safe in your home.

Utilization management is another care coordination service. Utilization management helps make sure that the care and services you are receiving are appropriate and covered by your plan. Otherwise coverage might be denied. It is used in a small number of cases. Sometimes this means you will get a call from a nurse because we want to help coordinate your care.

This is especially important if your health insurance requires prior authorization from Medica before you get certain services. If coverage for some service is denied, it is important for you to know that Medica does not reward anyone for denying coverage. The doctors or other people who decide whether a service or care is covered are paid the same, no matter what they decide. No one making these decisions is trying to limit or reduce your coverage. Keeping you healthy is very important. We want you to get the care you need. We do not want you to under-use the care available to you. That is why we so often recommend that members get checkups, health screenings and immunizations.

If you have questions or comments about case management or utilization management and wish to speak to a representative of the Health Services department, please contact Customer Service at the numbers listed in the Important phone numbers section of this guide.

If coverage is denied, you can appeal. See the Complaints section of your policy document at [medica.com/members](https://www.medicacommunity.com/members). Enter your plan name or care type (found on your member ID card) and select "Find forms." Or call Customer Service for more information. The number is listed in the *Important phone numbers* section of this guide.

Using Disease and Case Management Services

If you have a serious or chronic health condition, disease management and case management services may be available to you at no additional cost. Call us at **1-866-905-7430** to hear the benefits. A registered nurse works with you to complete an assessment to help decide what benefits and resources could help you. You also will develop personal health goals, and receive support and follow up. This program is voluntary and you decide if, or how long, you stay with the program.

Referrals and prior authorization

Some health services require you or your provider to notify us before you have the service. Even if your doctor recommends you have the service or see an out-of-network provider, Medica may require that we approve the request before you have the appointment. This is known as "prior authorization." This also includes referrals to providers who are not in our network and certain types of network providers. You or your provider can contact Customer Service at the phone number listed on the back of your ID card.

Services that may require prior authorization from Medica include, but are not limited to:

- Reconstructive or restorative surgery
- Organ and bone marrow transplant

- Home health care
 - Medical supplies and durable medical equipment
- This is not a complete list. Contact Customer Service to determine whether a service or procedure may require prior authorization.

If we deny coverage for a service, it is important for you to know that Medica does not reward anyone for denying coverage. Medica pays the doctors or other people who decide whether to cover a service or care the same, no matter what they decide. No one making these decisions tries to limit or reduce your coverage. Keeping you healthy is very important. We want you to get the care you need. We do not want you to under-use the care available to you. That is why we so often recommend that members get checkups, health screenings and immunizations.

If you have questions or comments about case management or utilization management and wish to speak to a representative of the Health Services department, please contact Customer Service at the numbers listed in the Important phone numbers section of this guide.

If we deny coverage for a service you can appeal. See the Complaints section in your coverage document. Or call Customer Service for more information. The number is listed in the Important phone numbers section of this guide. For more information about the appeal rights under your plan, see your coverage document. You may also contact us through our website at [medica.com](https://www.medicacommunity.com).

If you need help with an appeal you can also contact Health Advocate. Health Advocate is an independent company that can assist you in working with Medica to make an appeal. You can call Health Advocate at **1-866-668-6548**.

Clinical practice guidelines

Medica follows evidence-based clinical practice guidelines and works with the Institute for Clinical Systems Improvement (ICSI) to maintain clinical practice guidelines for all providers in our plan networks. These guidelines are available on [medica.com/providers](https://www.medicacommunity.com/providers) under Policies and Guidelines. They can also be requested by calling Customer Service at the number on the back of your ID card.

Evaluating safety and effectiveness of new medical technologies and medications

Medica is interested in the newest advances in medicine, including behavioral health. We review new devices and procedures and new uses of existing technologies to decide if

they are included in your coverage. Medica uses many sources to evaluate new medical technology and procedures and behavioral health treatments/therapies. We thoroughly review clinical and scientific evidence. We consider the technology's safety, effectiveness and effect on health outcomes. We also review laws and regulations and get input from local physician groups about community practice standards. Medica's main concern when making coverage decisions is whether a new technology or procedure will improve health care for our members.

Medica also continually reviews new medications and the use of existing medications for new medical conditions. Independent physicians and pharmacists from various specialties review medications in all therapeutics categories to determine whether to add them to the Medica drug list based on their safety, effectiveness and value. For more information about the drug list, see the Pharmacy services section of this guide.

COMPLAINTS

There may be a time when we deny a claim, a prior authorization request or a request for services or care. We have formal complaint procedures outlined for each state. Your coverage document outlines steps to file a complaint. Your coverage document outlines the steps to file a complaint. Please follow these procedures if you want a decision to be reconsidered. You may also choose to designate a representative to act on your behalf. If you choose to do so, contact Medica for an *Appointment of Representation* form, which allows Medica to discuss your appeal with your designated representative.

How to file a complaint

You can file a complaint in writing or by telephone. Call Customer Service at the number listed on your ID card or in the Important phone numbers section of this guide or refer to your coverage document for more information.

Additionally, we investigate your complaints about quality of care problems, but Minnesota state law does not allow us to share details of the outcome of this review. State regulators in some states review quality of care cases involving Medica.

How to request an expedited review of a coverage decision

If your attending provider believes that Medica's decision requires a quicker review because a delay could seriously harm your life, health or ability to regain maximum function, or would subject you to severe pain that cannot be adequately managed without the care or treatment you are seeking, we will review your request and notify you and your provider of our decision no later than 72 hours after receiving the request. If you need help with an appeal you can also contact Health Advocate. Health Advocate is an independent company that can assist you in working with Medica to make an appeal. You can call Health Advocate at **1-866-668-6548**.

Complaints and Appeals Process

Minnesota Appeal Rights - Individual and Family Plans

Internal Review

If you are dissatisfied with Medica's decision, you can call or write us at the phone numbers and address below to request a review. You may designate a representative to act on your behalf at any time during the appeal process or external review process. If you do so, contact Medica to obtain an Appointment of Representation form, which will allow Medica to discuss your case with your designated representative. You also have the right at any time to file a complaint with the Minnesota Department of Commerce at 651-539-1600 or 1-800-657-3602 (outside the metro area only). We will review any testimony, explanation or other information we receive from you, Medica staff members, providers or others.

At any time and at no cost to you, you may request a written copy from Medica of:

- The rule or guideline used to make our decision,
- The clinical judgment used to apply the terms of your plan to your medical circumstances, and/or
- Any other document or information related to this review.

To request an appeal, additional information, if you need diagnosis and/or treatment code information regarding the services referenced in this communication or assistance, please contact Medica at the following address and telephone numbers:

Mail: Medica Customer Service, Route CP595, PO Box 9310, Minneapolis MN 55440-9310

Telephone: Minnesota: 1-888-592-8211
TTY users, call 711.

Procedures for complaints that do not involve a medical determination:

1. If you contact Medica to express a complaint verbally, Medica will send you our decision within 10 calendar days from when we received your complaint. If you remain dissatisfied with Medica's decision, Medica will provide you with a complaint form to submit your complaint in writing. If you need assistance completing the complaint form, Medica will help you. The complaint form can be mailed to the address above.
2. If you submit your complaint in writing, Medica will send you our decision within 30 calendar days. If you remain dissatisfied with Medica's decision, you have the right to submit a request for external review.

Procedures for complaints that require a medical determination:

1. If this decision was based on medical necessity, you have one year from the date of the decision to file an appeal. You can call or write us at the phone numbers and address above to request an internal review. Your appeal will be completed no later than 30 calendar days from when we received your request. Your attending provider may request an expedited, 72-hour appeal review, if they believe it is warranted. You also may request an expedited review if waiting the standard 30-day turnaround time might jeopardize your life, health or ability to regain maximum function, or if this timeframe would subject you to severe pain that cannot be managed without the care or treatment you are requesting. In such cases, you also may have the right to request an external review while your internal review is being conducted.

External Review

You may choose to have your case reviewed by an external review organization. This process is coordinated by the Minnesota Department of Commerce at the numbers listed above. You must submit your written request for external review within six months from the date of Medica's decision. You may submit additional information to be reviewed by the external review organization. You will be notified of the review organization's decision within 45 days. If an expedited review is requested and approved, a decision will be provided within 72 hours.

The external review organization's decision is not binding on you, but it is binding on Medica. Medica may seek judicial review on grounds that the decision was arbitrary and capricious or involved an abuse of discretion. To request an external review, contact the appropriate state regulator at the numbers listed above. You must include a \$25 filing fee at the time of the request. This amount may be waived in cases of financial hardship.

Right to Civil Action

No civil action for benefits may be brought more than three years after the time a claim for benefits is required to have been submitted under this Policy.

Complaints and Appeals Process

Iowa Appeal Rights - Individual and Family Plans

Information Related to this Decision

If you have any questions related to this claim, please refer to your Policy or contact Medica Customer Service at the phone numbers or address listed below.

Internal Review

If you are dissatisfied with Medica's decision, you can call or write us at the phone numbers and address listed below to request a review. You may choose to appoint a representative to act on your behalf at any time during the review process or external review process. If you choose to do so, contact Medica to obtain an *Appointment of Representation* form, which will allow Medica to discuss your case with your authorized representative. We will review any testimony, explanation, or other information we receive from you, Medica staff members, providers, or others.

You also have the right at any time to file a complaint with the Iowa Insurance Division at 1-877-955-1212.

At any time and at no cost to you, you may request a written copy from Medica of:

- The rule or guideline used to make our decision,
- The clinical judgment used to apply the terms of your plan to your medical circumstances, and
- Any other document or information related to this review.

To request an appeal, additional information, if you need diagnosis and/or treatment code information regarding the services referenced in this communication or assistance, please contact Medica at the following address and telephone numbers:

Mail: Medica Customer Service, Route CP595, PO Box 9310, Minneapolis MN 55440-9310

Telephone: 1-888-592-8211
TTY users, call 711.

Procedures for complaints that do not involve a medical determination:

1. If you contact Medica to express a complaint verbally, Medica will communicate a decision to you within 10 business days from receipt of the complaint. If you remain dissatisfied with Medica's decision, Medica will provide you with a complaint form to submit your complaint in writing. If you need assistance with completing the complaint form Medica will help you. The complaint form can be mailed to the address listed above.
2. If you submit your complaint in writing, you have one year from the date of the decision to file an appeal. The written complaint is considered an internal review. Medica will communicate a decision to you within 30 calendar days.

Procedures for complaints that require a medical determination:

1. If this decision was based on medical necessity, you have 180 days from the date of the decision to file an appeal. You can call or write us at the phone numbers and address listed above to request an internal review. Your appeal will be completed no later than 30 calendar days from receipt of your request. Your attending provider may request an expedited, 72-hour appeal review, if he/she believes it is warranted. You may also request an expedited review if waiting the standard 30-day turnaround time might jeopardize your life, health or ability to regain maximum function, or if this timeframe would subject you to severe pain that cannot be managed without the care or treatment you are requesting. In such cases, you may also have the right to request an external review while your internal review is being conducted.

External Review

For decisions that involve a medical necessity review or experimental/investigative determination, or a rescission of a policy, you or your authorized representative have four months from the date of the appeal determination letter to file a request for an independent external review. This process is coordinated through the Iowa Insurance Division. You should submit your written request to Iowa Insurance Division at 601 Locust, 4th Floor, Des Moines, IA 50309-3738 (fax: 1-515-281-3059, email: iid.marketregulation@iid.iowa.gov or online: www.iid.iowa.gov). You may submit additional information to be reviewed by the external review organization. You will be notified of the review organization's decision within 30 days. If an expedited review is requested and approved, a decision will be provided within 72 hours.

The external review organization's decision is not binding on you, but it is binding on Medica. Medica may seek judicial review on grounds that the decision was arbitrary and capricious or involved an abuse of discretion.

Right to Civil Action

No civil action for benefits may be brought more than three years after the time a claim for benefits is required to have been submitted under this Policy.

Information Related to this Decision

If you have any questions related to this claim, please refer to your Policy or contact Medica Customer Service at the phone numbers or address listed below.

First Level of Review

If you are dissatisfied with Medica's decision, you can call or write us at the phone numbers and address listed below to request a review. You may choose to appoint a representative to act on your behalf at any time during the review process or external review process. If you choose to do so, contact Medica to obtain an *Appointment of Representation* form, which will allow Medica to discuss your case with your authorized representative. We will review any testimony, explanation, or other information we receive from you, Medica staff members, providers, or others.

You also have the right at any time to file a complaint with the Kansas Insurance Commissioner at 1-785-296-3071.

At any time and at no cost to you, you may request a written copy from Medica of:

- The rule or guideline used to make our decision,
- The clinical judgment used to apply the terms of your plan to your medical circumstances, and
- Any other document or information related to this review.

To request an appeal, additional information, if you need diagnosis and/or treatment code information regarding the services referenced in this communication or assistance, please contact Medica at the following address and telephone numbers:

Mail: Medica Customer Service, Route CP595, PO Box 9310, Minneapolis MN 55440-9310

Telephone: 1-888-592-8211
TTY users, call 711.

Procedures for complaints that do not involve a medical determination:

1. If you contact Medica to express a complaint verbally, Medica will communicate a decision to you within 10 business days from receipt of the complaint. If you remain dissatisfied with Medica's decision, Medica will provide you with a complaint form to submit your complaint in writing. If you need assistance with completing the complaint form Medica will help you. The complaint form can be mailed to the address listed above.
2. If you submit your complaint in writing, you have one year from the date of the decision to file an appeal. The written complaint is considered an internal review. Medica will communicate a decision to you within 30 calendar days.

Procedures for complaints that require a medical determination:

1. If this decision was based on medical necessity, you have 180 days from the date of the decision to file an appeal. You can call or write us at the phone numbers and address listed above to request an internal review. Your appeal will be completed no later than 30 calendar days from receipt of your request. Your attending provider may request an expedited, 72-hour appeal review, if he/she believes it is warranted. You may also request an expedited review if waiting the standard 30-day turnaround time might jeopardize your life, health or ability to regain maximum function, or if this timeframe would subject you to severe pain that cannot be managed without the care or treatment you are requesting. In such cases, you may also have the right to request an external review while your internal review is being conducted.

External Review

For decisions that involve a medical necessity review or experimental/investigative determination, or a rescission of a policy, you or your authorized representative have 120 days from the date of the appeal determination letter to file a request for an independent external review. This process is coordinated through the Kansas Insurance Commissioner. You should submit your written request to the Kansas Insurance Commissioner at 420 SW 9th St., Topeka, KS 66612 (tel: 1-800-432-2484, fax: 785-296-5806, email: webcomplaints@ksinsurance). You may submit additional information to be reviewed by the external review organization. If an expedited review is requested and approved, a decision will be provided within 72 hours.

The external review organization's decision is not binding on you, but it is binding on Medica. Medica may seek judicial review on grounds that the decision was arbitrary and capricious or involved an abuse of discretion. The decision of the external review organization may be reviewed directly by the district court at the request of either the insured or the insurer. The review by the district court shall be de novo. In no event shall more than one external review be available for any request arising out of the same set of facts during a period of 12 consecutive months, beginning on the date of the initial request for external review. You may not pursue, either concurrently or sequentially, an external review process under both federal and state law.

Right to Civil Action

No civil action for benefits may be brought more than five years after the time a claim for benefits is required to have been submitted under this Policy.

In such cases, you may also have the right to request an external review while your first level review is being conducted.

Right to External Review

For decisions that involve a medical necessity or experimental/investigative determination, or if you are appealing a rescission of your policy, you may choose to have your case reviewed by an external review organization. Your request must be submitted in writing to the North Dakota Commissioner within four (4) months following the date of Medica's review decision. An independent entity designated by the North Dakota Commissioner of Insurance will conduct the external review. You may submit additional information to be reviewed by the external review organization. You will be notified of the external review organization's decision within 45 days from receipt of your request. If waiting the standard 45-day turnaround time might jeopardize your life, health or ability to regain maximum function, or you received emergency services and have not been discharged from the facility, you or your attending provider may request an expedited, 72-hour external review. You must include a \$25.00 filing fee at the time of the request for external review.

Requests for external review can be submitted to the following address:
North Dakota Commissioner of Insurance
600 E. Boulevard Avenue
Bismarck, ND 58505

Complaints and Appeals Process

Wisconsin Grievance Rights - Individual and Family Plans

Right to File a Complaint

If you are not satisfied with how Medica provides services or administers your benefits, you can call Customer Service at the phone numbers below. Our representatives can explain your benefits and any administrative procedures, address your questions and informally resolve complaints. If we cannot resolve the complaint to your satisfaction through this informal process, you have the right to file a formal grievance with Medica.

At any time you also have the right to file a complaint with the Office of the Wisconsin Commissioner of Insurance by calling 1-800-236-8517.

Right to File a Grievance

To file a grievance, write down your concerns and mail or deliver your grievance (in any form) to Medica at the address below. Include copies of any supporting documents. If you need help, someone else can write on your behalf, including a Medica Customer Service representative.

At any time during the process, you may designate someone to act on your behalf. If you choose this option, contact Medica to obtain an *Appointment of Representation* form. This allows us to discuss your grievance with the person you designate. A grievance panel will review any testimony, explanation or other information we receive from you, Medica staff members, providers or others. You may choose one of the following options for your grievance.

Medica's Grievance Process:

You present your case to a grievance panel, either in person (a hearing) or in writing (a file review). Medica will notify you of its decision within 30 calendar days of the date from when your request for a hearing or file review is received.

You or your health care provider may request an expedited 72-hour grievance review if:

- Waiting the standard 30 days might jeopardize your life, health or ability to regain maximum function; or would subject you to severe pain that cannot be managed without the care or treatment you are asking for; or
- A physician with knowledge of your medical condition determines that the grievance should be expedited.

In such cases, you also may have the right to request an external review while we review your grievance.

At any time and at no cost to you, you may ask Medica for a written copy of:

- The rule or guideline we used to make our decision,
- Th You may also request an expedited review if waiting the standard 30 day turnaround time might jeopardize your life, health or ability to regain maximum function, or if this timeframe would subject you to severe pain that cannot be managed without the care or treatment you are requesting. In such cases, you may also have the right to request an external review while your first level review is being conducted. e clinical judgment we used to apply the terms of your plan to your medical situation, or
- any other document or information related to this review.

For more information or to request diagnosis or treatment codes related to a decision, please call Medica at the following phone numbers:

Mail: Medica Customer Service, Route CP595, PO Box 9310, Minneapolis MN 55440-9310
Telephone: 1-888-592-8211
TTY users, call 711.

Right to External Review

You or a person you designate have the right to request an independent external review if your claim involves:

- An adverse determination (a decision that involves a medical necessity determination),
- Experimental treatment (a treatment that is not yet proven to be effective), or
- A rescission (cancellation) of your coverage.

You have four months from the date of the grievance determination letter to request an external review. Medica will coordinate this review.

You may submit additional information for the external review organization to consider. The review organization will notify you of their decision within 45 calendar days. If waiting the standard 45 days might jeopardize your life, health or ability to regain maximum function, or subject you to severe pain that cannot be managed without the care or treatment you are asking for, you or your health care provider may request a 72-hour expedited review.

The decision by the external review organization is binding (final) for both you and for Medica. For more information or to request an external review, contact us at the address and phone numbers listed.

APPENDIX

How Medica protects your privacy

Effective: June 11, 2003

Revised: September 23, 2013

Summary

There are several state and federal laws requiring Medica Health Plans, Medica Health Plans of Wisconsin and Medica Insurance Company (collectively, "Medica") to protect its members' personal health information. The most comprehensive regulations were issued under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). These regulations have been updated from time to time. Essentially, HIPAA regulations require entities like Medica to provide you with information about how your protected health information may be used and disclosed and to whom. This notice explains what your protected health information is. Regulations also describe how Medica must protect this information and how you can access your protected health information. Medica must follow the terms of its privacy notice. Medica may also change or amend its privacy notice as the laws and regulations change. However, if the notice is materially changed, Medica will make the revised privacy notice available to you.

There are also state and federal laws requiring Medica to protect your non-public personal financial information. The most comprehensive regulations were issued under the Gramm-Leach-Bliley Act ("GLBA"). The GLBA requires Medica to provide you with a notice about how your non-public personal financial information may be used and disclosed and to whom.

When the law permits use and disclosure

The law permits Medica to use and disclose your personal health information for purposes of treatment, payment and health care operations without first obtaining your authorization. There are other limited circumstances when Medica may use and disclose your personal health information without your authorization, such as public health, regulatory and law enforcement activities. Whether personal health information is used or disclosed with or without your authorization, Medica uses and discloses personal health information only to those persons who need to know and only the minimum amount necessary to perform the required activity.

Your privacy rights

The law also gives you rights to access, copy and amend your personal health information. You have the right to request restrictions on certain uses and disclosures of

your personal health information. You also have the right to obtain information about how and when your personal health information has been used and disclosed.

These duties, responsibilities and rights are described in more detail below.

Medica's privacy notice

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED UNDER STATE AND FEDERAL LAW, INCLUDING HIPAA AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

THIS NOTICE IS INTENDED FOR MEDICA MEMBERS.

What is PHI?

Medica is committed to protecting and maintaining the privacy and confidentiality of information that relates to your past, present or future physical or mental health, health care services and payment for those services. HIPAA refers to this information as "protected health information" or "PHI." PHI includes information related to diagnosis and treatment plans, as well as demographic information such as name, address, telephone number, age, date of birth and health history.

How does Medica protect your PHI?

Medica takes its responsibility of protecting your PHI seriously. Where possible, Medica de-identifies PHI. Medica uses and discloses only the minimum amount of PHI necessary for treatment, payment and operations, or to comply with legal or similar requirements. In addition to physical and technical safeguards, Medica has administrative safeguards such as policies and procedures that require Medica's employees to protect your PHI. Medica also provides training on privacy and security to its employees.

Medica protects the PHI of former members just as it protects the PHI of current members.

Under what circumstances does Medica use or disclose PHI?

Medica receives, maintains, uses and shares PHI only as needed to conduct or support: (i) treatment-related activities, such as referring you to a doctor; (ii) payment-related activities, such as paying a claim for medical services; and (iii) health care operations, such as developing wellness programs. Additional examples of these activities include:

- Enrollment and eligibility, benefits management and utilization management
- Customer Service
- Coordination of care
- Health improvement and disease management (for example, sending information on treatment alternatives or other health-related benefits)
- Premium billing and claims administration
- Complaints and appeals, underwriting, actuarial studies and premium rating (however, Medica is prohibited from using or disclosing your PHI that is genetic information for underwriting purposes)
- Credentialing and quality assurance
- Business planning or management and general administrative activities (for example, employee training and supervision, legal consultation, accounting, auditing)
- Medica may, from time to time, contact you with important information about your health plan benefits. Such contacts may include telephone, mail or electronic mail messages.

With whom does Medica share PHI?

Medica shares PHI for treatment, payment and health care operations with your health care providers and other businesses that assist it in its operations. These businesses are called “business associates” in the HIPAA regulations. Medica requires these business associates to follow the same laws and regulations that Medica follows.

Public Health, Law Enforcement and Health Care Oversight.

There are also other activities where the law allows or requires Medica to use or disclose your PHI without your authorization. Examples of these activities include:

- Public health activities (such as disease intervention);
- Health care oversight activities required by law or regulation (such as professional licensing, member satisfaction surveys, quality surveys or insurance regulation);
- Law enforcement purposes (such as fraud prevention or in response to a subpoena or court order);
- Assisting in the avoidance of a serious and imminent threat to health or safety; and
- Reporting instances of abuse, neglect, domestic violence or other crimes.

Employee Benefit Plans

Medica has policies that limit the disclosure of PHI to employers. However, Medica must share some PHI (for example, enrollment information) with a group policyholder to administer its business. The group policyholder is responsible for protecting the PHI from being used for purposes other than health plan benefits.

Research

Medica may use or release PHI for research. Medica will ensure that only the minimum amount of information that identifies you will be disclosed or used for research. HIPAA allows Medica to disclose a very limited amount of your PHI, called a “limited data set” for research without your authorization. You have the right to opt-out of disclosing your PHI for research by contacting Medica as described below. If Medica uses any identifiers, Medica will request your permission first.

Family Members

Under some circumstances Medica may disclose information about you to a family member. However, Medica cannot disclose information about one spouse to another spouse, without permission. Medica may disclose some information about minor children to their parents. You should know, however, that state laws do not allow Medica to disclose certain information about minors—even to their parents.

When does Medica need your permission to use or disclose your PHI?

From time to time, Medica may need to use or disclose PHI where the laws require Medica to get your permission. Medica will not be able to release the PHI until you have provided a valid authorization. In this situation, you do not have to allow Medica to use or disclose your PHI. Medica will not take any action against you if you decide not to give your permission. You, or someone you authorize (such as under a power of attorney or court-appointed guardian), may cancel an authorization you have given, except to the extent that Medica has already relied on and acted on your permission.

Your authorization is generally required for uses and disclosures of PHI not described in this notice, as well as uses and disclosures in connection with:

- **Psychotherapy Notes.** Medica must obtain your permission before making most uses and disclosures of psychotherapy notes.
- **Marketing.** Subject to limited exceptions, Medica must also obtain your permission before using or disclosing your PHI for marketing purposes.

- **Sales.** Additionally, Medica is not permitted to sell your PHI without your permission. However, there are some limited exceptions to this rule—such as where the purpose of the disclosure of PHI is for research or public health activities.

What are your rights to your PHI?

You have the following rights with regard to the PHI that Medica has about you. You, or your personal representative on your behalf, may:

- **Request restrictions of disclosure.** You may ask Medica to limit how it uses and discloses PHI about you. Your request must be in writing and be specific as to the restriction requested and to whom it applies. Medica is not required to always agree to your restriction. However, if Medica does agree, Medica will abide by your request.
- **Request confidential communications.** You may ask Medica to send your PHI to a different address or by fax instead of mail. Your request must be in writing. Medica will agree to your request if it is able.
- **Inspect or obtain a copy of your PHI.** Medica keeps a designated record set of its members' medical records, billing records, enrollment information and other PHI used to make decisions about members and their benefits. You have the right to inspect and get a copy of your PHI maintained in this designated record set. Your request must be in writing on Medica's form. If the PHI is maintained electronically in a designated record set, you have a right to obtain a copy of it in electronic form. Medica will respond to your request within thirty (30) days of receipt. Medica may charge you a reasonable amount for providing copies. You should know that not all the information Medica maintains is available to you and there are certain times when other individuals, such as your doctor, may ask Medica not to disclose information to you.
- **Request a change to your PHI.** If you think there is a mistake in your PHI or information is missing, you may send Medica a written request to make a correction or addition. Medica may not be able to agree to make the change. For example, if Medica received the information from a clinic, Medica cannot change the clinic information—only the clinic can. If Medica cannot make the change, it will let you know within thirty (30) days. You may send a statement explaining why you disagree and Medica will respond to you. Your request, Medica's disagreement and your statement of disagreement will be maintained in Medica's designated record set.
- **Request an accounting of disclosures.** You have the right to receive a list of disclosures Medica has made of your PHI. There are certain disclosures Medica does not have to track. For example, Medica is not required to list the times

it disclosed your PHI when you gave Medica permission to disclose it. Medica is also not required to identify disclosures it made that go back more than six (6) years from the date you asked for the listing.

- **Receive a notice in the event of a breach.** Medica will notify you, as required under federal regulations, of an unauthorized release, access, use or disclosure of your PHI. "Unauthorized" means that the release, access, use or disclosure was not authorized by you or permitted by law without your authorization. The federal regulations further define what is and what is not a "breach." Not every violation of HIPAA, therefore, will constitute a breach requiring a notice.
- **Request a copy of this notice.** You may ask for a separate paper copy of this notice.

TO EXERCISE ANY OF THESE RIGHTS, PLEASE CONTACT CUSTOMER SERVICE AT THE TELEPHONE NUMBER ON THE BACK OF YOUR MEDICA ID CARD, OR CONTACT MEDICA AT P.O. BOX 9310, MINNEAPOLIS, MN 55440-9310.

- **File a complaint or grievance about Medica's privacy practices.** If you feel your privacy rights have been violated by Medica, you may file a complaint. You will not be retaliated against for filing a complaint. To file a complaint with Medica, please contact Customer Service at the contact information listed above. You may also file a complaint with the Secretary of the U.S. Department of Health and Human Services. To do so, write to the Office for Civil Rights, U.S. Department of Health & Human Services, 233 N. Michigan Ave. Suite 240, Chicago, IL 60601.

About this notice

Medica is required by law to maintain the privacy of PHI and to provide this notice. Medica is required to follow the terms and conditions of this notice. However, Medica may change this notice and its privacy practices, as long as the change is consistent with state and federal law. If Medica makes a material change to this notice, it will make the revised notice available to you within sixty (60) days of such change.

FINANCIAL INFORMATION PRIVACY NOTICE
THIS NOTICE EXPLAINS HOW FINANCIAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

THIS NOTICE IS INTENDED FOR MEDICA MEMBERS.

How does Medica protect your information?

Medica takes its responsibility of protecting your information seriously. Medica maintains measures to protect your information from unauthorized use or disclosure. These measures include the use of policies and procedures, physical, electronic and procedural safeguards, secured files and buildings and restrictions on who and how your information may be accessed.

What information does Medica collect?

Medica may collect information about you including your name, street address, telephone number, date of birth, medical information, social security number, premium payment and claims history information.

How does Medica collect your information?

Medica collects information about you in a variety of ways. Medica obtains such information about you from:

- You, on your application for insurance coverage
- You, concerning your transactions with Medica, its affiliates or others
- Your physician, health care provider or other participants in the health care system
- Your employer
- Other third parties

Under what circumstances does Medica use or disclose non-public personal financial information?

Medica uses your non-public financial information for its everyday business operations. This includes using your information to perform certain activities in order to implement and administer the product or service in which you are enrolled. Examples of these activities include enrollment, customer service, processing premium payment, claims payment transactions and benefit management.

Medica may disclose your information to the following entities for the following purposes:

- To Medica's affiliates to provide certain products and services.
- To Medica's contracted vendors who provide certain products and services on Medica's behalf.
- To a regulatory authority, government agency or a law enforcement official as permitted or required by law, subpoena or court order.

IF YOU HAVE ANY QUESTIONS ABOUT THIS NOTICE, PLEASE CONTACT CUSTOMER SERVICE AT THE TELEPHONE NUMBER ON THE BACK OF YOUR MEDICA ID CARD, OR CONTACT MEDICA AT P.O. BOX 9310, MINNEAPOLIS, MN 55440-9310.

Authorization for routine business purposes

When you enrolled, you authorized Medica to use and disclose your personal health information for routine business purposes. As long as you are continually insured by Medica, that authorization serves as your consent to allow us to use your information in such circumstances.

Member rights and responsibilities

As a Medica member, you have the right to:

1. Available and accessible services, including emergency services (defined in your coverage document) 24 hours a day, seven days a week;
2. Information about your health condition, appropriate or medically necessary treatment options and risks, regardless of cost or benefit coverage, so you can make an informed choice about your health care;
3. Participate with providers in decision-making regarding your health care, including the right to refuse treatment recommended to you by Medica or any provider;
4. Be treated with respect and recognition of your dignity and privacy of your medical and financial records maintained by Medica or any network provider in accordance with existing law;
5. File a complaint about issues related to benefits. Contact the state regulator listed on the back of your Medica ID card. Or review the Complaints section of this guide. You may also contact Customer Service for more information about filing a complaint or how to begin legal proceedings. You may begin a legal proceeding if you have a problem with Medica or any provider; and
6. Receive information about Medica, its services, its practitioners and providers and members' rights and responsibilities.
7. Right to make recommendations regarding Medica's members' rights and responsibilities statement.
8. Right to file a complaint or an appeal about Medica, the care you received or a decision regarding your health care. You may do so by contacting Customer Service at the number on the back of your Medica ID card. Please refer to your

coverage document for more information on your complaint and appeal rights.

Member responsibilities:

To increase the likelihood that you maintain good health and receive the best quality care, it is important that you take an active role in your health care by:

1. Establishing a relationship with a network provider before becoming ill, as this allows for continuity of care;
2. Providing the information health care professionals need to determine the appropriate care. This objective is best obtained when you share:
 - a. Information about lifestyle practices; and
 - b. Personal health history;
3. Following the instructions given by those providing health care;
4. Practicing self-care by knowing:
 - a. How to recognize common health problems and what to do when they occur;
 - b. When and where to seek appropriate help; and
 - c. How to prevent health problems from recurring;
5. Practicing preventive health care by:
 - a. Having the appropriate tests, exams and immunizations recommended for your gender and age as described in your policy document; and
 - b. Engaging in healthy lifestyle choices (such as exercise, proper diet and rest).

Medica has identified some additional rights and responsibilities, including the:

1. Right to privacy.
2. Responsibility to participate in understanding your health problems, participate in developing mutually agreed upon treatment goals to the degree possible and to follow the plans that you have agreed on with your health care professional.

How Medica pays health care providers

Network providers

Medica pays network providers using various types of contractual arrangements, which are designed to promote the delivery of health care in a cost-efficient and effective manner.

These arrangements are not intended to affect your access to health care. These payment methods may include:

- A fee-for-service method, such as per service or percentage of charges,
- A risk-sharing arrangement, such as an amount per day, per stay, per episode, per case, per period of illness, per member or per service with targeted outcome, or
- A pay-for-performance program.

The methods by which specific network providers are paid may change from time to time. Methods also vary by network providers.

Fee-for-service

Fee-for-service payment means that the network provider is paid a fee for each service provided. If the payment is per service, the network provider's payment is determined according to a set fee schedule. The amount the network provider receives is the lesser of the fee schedule or what the network provider would have otherwise billed. If the payment is percentage of charges, the network provider's payment is a set percentage of the provider's charge. The amount paid to the network provider, less any applicable copayment, coinsurance or deductible, is considered to be payment in full.

Risk-sharing

Risk-sharing payment means that the network provider is paid a specific amount for a particular unit of service, such as an amount per day, per stay, per episode, per case, per period of illness, per member, or per service with targeted outcome. If the amount paid is less than the cost of providing or arranging for a member's health services, the network provider may bear some of the shortfall. If the amount paid to the network provider is more than the cost of providing or arranging a member's health services, the network provider may keep some of the excess. In other risk sharing arrangements, the network accepts a portion of the financial risk for providing covered services to all members enrolled in a particular Medica product.

Non-network providers

When a service from a non-network provider is covered, we pay the non-network provider a fee for each covered service provided. This payment may be less than the charges billed by the non-network provider. If this happens, members are responsible for paying the difference. Find more information on [medica.com/members/individual/ifb-member-tips](https://www.medica.com/members/individual/ifb-member-tips).

MEDICA'S FINANCIALS

The chart on the next page has important information for all Medica members. We hope you will take a moment to read it. On the right is a list of Medica's assets, liabilities, revenue and expenses for the 2016 fiscal year. Beside that are the results for 2017. By comparing the 2017 results to 2016, you can see how Medica has performed in each category.

HERE ARE SOME KEY TERMS

Assets:

Items of value that Medica owns

Expenses:

Costs of providing health care benefits to members

Liabilities:

Amounts Medica owes on the assets

Net Assets:

The net worth of the company

Net Income:

Income after taxes

Revenue:

Premiums and fees collected for providing health care coverage and administrative services

2017 FINANCIAL STATEMENT

Combined Balance Sheet (in thousands):	December 31,	
	2017	2016
Assets:		
Cash and investments	1,140,675	1,120,362

IMPORTANT PHONE NUMBERS

Customer Service

Sometimes it's easiest to pick up the phone and talk with someone who can help. That is Customer Service, available to answer questions about your health care plan 8 a.m. – 6 p.m., Monday through Friday (9 a.m. – 6 p.m. Thursday).

Please have your Medica ID card available when you call.

- Medica® Applause®, Medica EncoreSM, Medica Individual ChoiceSM, Medica SoloSM, Symphony®, Symphony® for HSA, Medica Direct ValueSM and Medica Direct HSASM members: **1-888-592-8211**
- Altru Prime by MedicaSM: **1-800-918-6474**
- Medica ConnectSM – Kansas **1-866-416-7438**
- Select by MedicaSM – Kansas **1-866-269-6806**
- Medica InsureSM – Iowa: **1-800-918-6165**
- Medica InsureSM – Nebraska: **1-800-918-6164**
- Engage by MedicaSM members: **1-866-510-7425**
- North Memorial Acclaim by MedicaSM members: **1-855-887-4259**
- If you don't see your plan listed above, call: **1-866-894-8051**

If you do not have an ID card and don't know your Medica member ID number, please stay on the line until after the recorded message and a representative will help you.

- TTY users, call **711**.

Medica stop smoking program

If you use tobacco and are thinking of quitting, Healthy Living with Medica can help. To use the stop smoking program, go to [medica.com/members](https://www.medicamem.com/members), select your plan name or care type (found on your member ID card), and select Health and Wellness. You can also contact our Health Services department for assistance. Or call the Customer Service number on the back of your ID card and ask to speak to a nurse about quitting smoking.

Medica behavioral health*

Mental health and substance abuse services.

**Before 2014, policyholders could choose to purchase this coverage at the time they applied for coverage with Medica. As a result of the Patient Protection and Affordable Care Act (ACA), starting on January 1, 2014, this benefit is included in all ACA policies. If you did not buy one of the new ACA policies you may or may not have this coverage. Check your policy document or call Customer Service at the number on the back of your ID card for more information specific to your coverage.*

Discrimination is Against the Law

Medica complies with applicable Federal civil rights laws and will not discriminate against any person on the basis of race, color, national origin, age, disability or sex. Medica:

- Provides free aids and services to people with disabilities to communicate effectively with us, such as: TTY communication and written information in other formats (large print, audio, other formats).
- Provides free language services to people whose primary language is not English, such as: Qualified interpreters and information written in other languages.

If you need these services, call the number included in this document or on the back of your Medica ID card. If you believe that Medica has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability or sex, you can file a grievance with: Civil Rights Coordinator, Mail Route CP250, PO Box 9310, Minneapolis, MN 55443-9310, 952-992-3422 (phone/fax), TTY 711, civilrightscoordinator@medica.com.

You can file a grievance in person or by mail, fax, or email. You may also contact the Civil Rights Coordinator if you need assistance with filing a complaint.

You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights, electronically through the Office for Civil Rights Complaint Portal, available at <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf> or by mail or phone at: U.S. Department of Health and Human Services, 200 Independence Avenue, SW Room 509F, HHH Building, Washington, D.C. 20201, 800-368-1019, 800-537-7697 (TDD). Complaint forms are available at <http://www.hhs.gov/ocr/office/file/index.html>.

If you want free help translating this information, call the number included in this document or on the back of your Medica ID card.
