SECTION 2 Deciding Which Plan to Choose

Section 2.1 – If you want to stay in Medica Prime Solution Premier

To stay in our plan, you don't need to do anything. If you do not sign up for a different Medicare health plan or change to Original Medicare by December 7, you will automatically be enrolled in Medica Prime Solution Premier.

Section 2.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2024 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- — *OR* — You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan, if you don't already have one. If you do not enroll in a Medicare drug plan, there may be a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2024* handbook, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2).

Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from our plan.
- To **add a Medicare prescription drug plan or change to a different drug plan**, enroll in the new drug plan. You will continue to receive your medical benefits from our plan.
- To **change to Original Medicare with a prescription drug plan**, you must enroll in the new drug plan and ask to be disenrolled from our plan. Enrolling in the new drug plan will not automatically disenroll you from our plan. To disenroll from our plan you must *either*:
 - Send us a written request to disenroll. Contact Member Services if you need more information on how to do so.
 - — *OR* — Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

- To **change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll. Contact Member Services if you need more information on how to do so.
 - — *OR* — Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 3 Deadline for Changing Plans

If you want to change to a different type of plan, like a Medicare Advantage plan, or make a change to your prescription drug coverage for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2024.

If you want to change to a different Cost plan, you can do so anytime the plan is accepting members. The new plan will let you know when the change will take effect.

If you want to disenroll from our plan and have Original Medicare for next year, you can make the change up to December 31. The change will take effect on January 1, 2024.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, and those who move out of the service area.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.
