- If you don't join another plan by December 7, 2023, you will stay in our plan.
- To change to a Medicare Advantage health plan or Medicare prescription drug plan, you can switch plans between October 15 and December 7. Your new coverage will start on **January 1, 2024**. This will end your enrollment with our plan.

SECTION 2 Deciding Which Plan to Choose

Section 2.1 – If you want to stay in Medica Prime Solution Standard

To stay in our plan, you don't need to do anything. If you do not sign up for a different Medicare health plan or change to Original Medicare by December 7, you will automatically be enrolled in Medica Prime Solution Standard.

Section 2.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2024 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- — *OR* — You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan, if you don't already have one. If you do not enroll in a Medicare drug plan, there may be a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2024* handbook, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2).

Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from our plan.
- To **add a Medicare prescription drug plan or change to a different drug plan**, enroll in the new drug plan. You will continue to receive your medical benefits from our plan.
- To **change to Original Medicare with a prescription drug plan**, you must enroll in the new drug plan and ask to be disenrolled from our plan. Enrolling in the new drug plan will not automatically disenroll you from our plan. To disenroll from our plan you must *either*:
 - Send us a written request to disenroll. Contact Member Services if you need more information on how to do so.
 - — *OR* — Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.
- To **change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll. Contact Member Services if you need more information on how to do so.
 - — *OR* — Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 3 Deadline for Changing Plans

If you want to change to a different type of plan, like a Medicare Advantage plan, or make a change to your prescription drug coverage for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2024.

If you want to change to a different Cost plan, you can do so anytime the plan is accepting members. The new plan will let you know when the change will take effect.

If you want to disenroll from our plan and have Original Medicare for next year, you can make the change up to December 31. The change will take effect on January 1, 2024.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, and those who move out of the service area.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 4 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Wisconsin, the SHIP is called Wisconsin Board on Aging & Long Term Care.

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. SHIP counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Wisconsin State Health Insurance Assistance Program (SHIP) at 1 (800) 242-1060 (toll-free) (TTY: 711). You can learn more about **Wisconsin State Health Insurance Assistance Program (SHIP)** by visiting their website (www.dhs.wisconsin.gov/benefit-specialists/medicare-counseling.htm).

SECTION 5 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual

deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. To see if you qualify, call:

- 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
 - The Social Security Office at 1-800-772-1213 between 8 am and 7 pm, Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
 - Your State Medicaid Office (applications).
- **Help from your state’s pharmaceutical assistance program.** Wisconsin has a program called Wisconsin SeniorCare that helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, please call (800) 657-2038 (toll-free) or (608) 267-6875 (local) (TTY: 711)
 - **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the ADAP. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call 1 (800) 991-5532 (toll-free) or (608) 267-6875 (local) (TTY: 711).
