Provider Requirements for Medicare and Minnesota Health Care Programs

In addition to other requirements specified in the Administrative Requirements from Medica, the following requirements (“Requirements”) apply to all Medicare and Minnesota Health Care Program products from Medica.

1. Definitions.

(a) **Affiliate.** Any person, partnership, corporation, or other form of enterprise including subsidiaries that directly or indirectly control, are controlled by, or are under common control with a party.

(b) **Benefit Contract.** A plan of health care coverage issued by Medica for each Medica Medicare, Medicaid or state government program product that contains the terms and conditions of a Member’s coverage.

(c) **CMS Contract.** A contract between the Centers for Medicare and Medicaid Services (“CMS”) and Medica Health Plans or an Affiliate of Medica Health Plans for the provision of Medicare benefits pursuant to the Medicare program.

(d) **DHS Contract.** A contract between the Minnesota Department of Human Services (“DHS”) and Medica Health Plans for the provision of state public program benefits pursuant to the state public program.

(e) **Downstream Entity.** Any party that enters into an acceptable written agreement below the level of the arrangement between Medica and Provider. These written arrangements continue down to the level of the ultimate provider of health and/or administrative services.

(f) **Medicaid.** The federal and state funded program for certain low income individuals established by Title XIX of the Social Security Act.

(g) **Medicare.** The federal insurance program for aged and disabled people as defined under Public Law 89-97 (42 U.S.C. § 1395 et. seq.).

(h) **Medicare Advantage.** The Medicare managed care program established for beneficiaries.

(i) **Medicare Advantage Special Needs Plans (“SNPs”).** Medicare Advantage coordinated care plans that exclusively or disproportionately serve special needs individuals as defined in Section 1859(b)(6) of the Social Security Act and 42 C.F.R. § 422.2. Three types of special needs individuals are eligible for enrollment in a SNP: (a) institutionalized individuals; (b) individuals entitled to Medical Assistance and Medicare; and (c) other individuals with severe or disabling chronic conditions that would benefit from enrollment in a SNP.
Medical Necessity. Pursuant to Minnesota Rules, Part 9505.0175, subpart 25, a health service that is:

1) consistent with the Enrollee’s diagnosis or condition;
2) recognized as the prevailing standard or current practice by the Provider’s peer group; and
3) rendered:
   A. In response to a life threatening condition or pain;
   B. To treat an injury, illness or infection;
   C. To treat a condition that could result in physical or mental disability;
   D. To care for the mother and unborn child through the maternity period;
   E. To achieve a level of physical or mental function consistent with prevailing community standards for diagnosis or condition; or
   F. As a preventive health service defined under Minnesota Rules, Part 9505.0355.

MHCP. Minnesota Health Care Programs, including Medica Choice Care, Medica MinnesotaCare, Medica AccessAbility Solution (SNBC), Medica DUAL Solution (MSHO), and Medica MSC+.

Primary Care Clinic. A Clinic selected by Medica that will perform certain services related to the coordination, referral and delivery of Health Services for each Medica Medicare Advantage Member who has designated such Participating Provider as his or her primary care clinic.

Primary Care Physician. A Clinic Physician accepted by Medica to coordinate Health Services for Medica Medicare Advantage Members and practicing in the area of family practice, general internal medicine, obstetrics and gynecology or pediatrics.

Significant Business Transaction. Any business transaction or series of transactions that, during any one fiscal year, exceed the lesser of $25,000 or 5% of Provider’s total operating expenses.

2. Provision of Health Services and Quality of Care. Provider will provide Health Services in a manner consistent with professionally recognized standards of care and in accordance with the standard of practice in the community in which such Provider renders Health Services as required pursuant to the CMS Contract and DHS Contract and all applicable state and federal law. In addition, Provider will provide Health Services in a manner so as to assure quality of care and treatment, including without limitation compliance with all applicable Medicare and Medicaid laws, regulations and sub-regulatory guidance.

3. Access to Health Services. Provider will provide Health Services in a culturally competent manner to all Members, including Members with limited English proficiency or reading skills and diverse cultural and ethnic backgrounds. Provider will not
discriminate against any person based on his or her race, ethnicity, color, creed, religion, national origin, sex (including, but not limited to, gender identity and sex stereotyping), gender, health status including mental and physical medical conditions, marital status, familial status, status with regard to public assistance, disability, sexual orientation, age, receipt of health care services, claims experience, medical history, genetic information, evidence of insurability (including conditions arising out of acts of domestic violence), geographic location, political beliefs, membership or activity in a local commission, or any other classification protected by law.

4. Data Collection. Provider will submit to Medica, within the timeframe specified by Medica, all data, including medical records, necessary to characterize the context and purpose of each encounter with a Member in the manner and to the extent required by CMS and DHS. Provider will certify, in writing, the completeness and accuracy of all such data.

5. Health Care Homes/Data Reporting. A Provider who is certified as a Health Care Home by the Minnesota Department of Health will report data to the state and to the Minnesota Department of Health in accordance with law and DHS instruction.

6. Member Complaints. Provider will cooperate with Medicare, Medicaid, and state government programs grievance, appeals and expedited appeals procedures.

7. Review of Communications. Provider shall submit to Medica for review and approval any written communication, including website content, intended for MHCP members prior to distribution or posting of such communication. This includes, but is not limited to, information about site or contract terminations which specifically reference MHCP members, and any other member communications which address MHCP membership and their coverage and benefits. Certain communications require filing with DHS. As determined by Medica, the above-referenced communications may be sent by Medica to DHS for approval.

8. Excluded Individuals and Entities; Disclosure of Ownership Information. Provider will comply with the following requirements regarding excluded individuals and entities and disclosure of ownership information.

(a) Definitions. For purposes of this section 8, the following definitions shall apply:

(i) Managing Employee: An individual (including a general manager, business manager, administrator, or director) who exercises operational or managerial control over Provider, or part thereof, or who directly or indirectly conducts the day-to-day operations of Provider, or part thereof.

(ii) Person with an Ownership or Control Interest: A person or corporation that: (i) has an ownership interest, directly or indirectly, totaling 5% or more in Provider; (ii) has a combination of direct and indirect ownership interests equal to 5% or more in Provider; (iii) owns an interest of 5% or more in any mortgage, deed of trust, note or other obligation secured by Provider, if that interest equals at least 5% of the
value of the property or assets of the Provider; or (iv) is an officer or
director of Provider (if organized as a corporation) or is a partner in the
Provider (if organized as a partnership).

(iii) **Subcontractor:** An individual, agency or organization to which Provider
has contracted (or a person with an employment, consulting or other
arrangement with Provider) for the provision of items and services that are
significant and material to Provider’s contract with Medica and Medica’s
obligations under the DHS Contract or CMS Contract.

(b) **Excluded Individuals and Entities.**

(i) Provider warrants that Provider has not been: (i) convicted of a criminal
offense related to Provider’s involvement in any federally funded
government program; (ii) debarred, suspended or otherwise excluded from
participation in any federally funded government program, as required by
applicable federal law; or (iii) sanctioned by the U.S. Department of
Health and Human Services (“HHS”) Office of Inspector General
(“OIG”). In addition, Provider does not appear on: (i) the OIG List of
Excluded Individuals/Entities; or (ii) the System for Award Management
(“SAM”) (formerly the General Services Administration Excluded Parties
List System). Provider agrees to search monthly, and upon contract
execution or renewal, and credentialing, the HHS OIG List of Excluded
Individuals/Entities and SAM to verify that Provider’s employees,
officers, directors, agents, Subcontractors and any Person with an
Ownership or Control Interest: (i) are not debarred, suspended or
otherwise excluded from participation in any federally funded government
program; (ii) have not been convicted of a criminal offense related to that
person’s or entity’s involvement in any federally funded government
program; and (iii) have not been sanctioned by the OIG.

(ii) Provider further warrants that Provider will not, during the term of the
Agreement, employ, purchase products or services from, or contract with
any Subcontractor who: (i) has been convicted of a criminal offense
related to the individual’s or entity’s involvement in any federally funded
government program; (ii) is listed as debarred, suspended or otherwise
excluded from participation in any federally funded government program
as required by applicable federal law; or (iii) has been sanctioned by the
OIG.

(iii) Provider shall provide written notice to Medica within five (5) calendar
days of the date Provider knows, or has reason to know, that Provider or
any Subcontractor has been: (i) convicted of a criminal offense related to
the individual’s or entity’s involvement in any federally funded
government program; (ii) listed as debarred, suspended or otherwise
excluded from participation in any federally funded government program as required by applicable federal law; or (iii) sanctioned by the OIG.

(c) Disclosure of Ownership Information. On an annual basis and within thirty-five (35) calendar days of any request by Medica, Provider shall provide written disclosure to Medica regarding the corporate ownership of Provider and any Subcontractor as required by this section. In addition, Provider shall notify Medica within ten (10) business days of the date Provider knows, or has reason to know, of any update or change in such ownership. Provider’s disclosure to Medica shall include, but not be limited to, the following information:

(i) the name, address, date of birth and social security number of each Managing Employee, and Person with an Ownership or Control Interest in Provider, or any Subcontractor in which Provider has direct or indirect ownership of five percent (5%) or more;

(ii) whether any Person with an Ownership or Control Interest identified in section 8(c)(i) is related to any other Person with an Ownership or Control Interest as spouse, parent, child or sibling; and

(iii) the name of any other organization in which a Person with an Ownership or Control Interest in Provider also has an ownership or control interest in that other organization.

(a) Provider certifies that it will annually provide compliance training that meets the guidelines set by CMS from time to time (“Compliance Training”), to all of its personnel and/or employees (as required by CMS) responsible for the administration or delivery of services to Members. To the extent required by CMS, such Compliance Training will include such other applicable compliance and/or fraud, waste and abuse training directed by CMS. Provider further certifies that for Downstream Entities responsible for the administration or delivery of services to Members, Provider will: (i) communicate general compliance training information to its Downstream Entities; and (ii) within ninety (90) calendar days of contracting and annually thereafter, provide fraud, waste and abuse training directly to its Downstream Entities or provide appropriate fraud, waste and abuse training materials to its Downstream Entities. Provider will provide, at Medica’s request, an attestation that Provider has fulfilled the required Compliance Training hereunder for its personnel, employees, and Downstream Entities (to the extent required or instructed by CMS) in compliance with this section.

(b) Upon reasonable written notice from Medica to Provider, Provider shall permit Medica personnel to review Provider’s policies and procedures including, without limitation, Compliance Training program materials and methods of distribution to
Downstream Entities related to Provider’s Compliance Training provided under this section.

10. Investigation Log. Provider shall maintain a detailed log (in a format required by DHS and communicated by Medica to Provider) of all reports of provider fraud and abuse investigated by Provider, which shall be submitted to Medica by the third day of the following month for investigations opened or closed in that month.

11. No Opting Out of Medicare; Participation in Medicare. Provider may not employ or contract with any providers who have opted out of Medicare by filing with a Medicare carrier an affidavit promising to furnish Medicare covered services to Medicare beneficiaries only through private contracts with such beneficiaries. Provider is certified for participation in Medicare, Medicaid, or state government program products, to the extent Provider is a provider type eligible to be certified for participation in Medicare, Medicaid, or other government program products.

12. Compliance Requirements. In addition to informing all related entities, contractors and/or subcontractors that payments they receive are, in whole or in part, from federal funds, Provider will, and will cause Downstream Entities to, comply with:

(a) all applicable state and federal laws, regulations and sub-regulatory guidance;
(b) all applicable Medicare laws, regulations, and CMS sub-regulatory guidance and all applicable Medicaid laws, regulations, and DHS sub-regulatory guidance;
(c) all state and federal laws and regulations designed to prevent or ameliorate fraud, waste or abuse, including but not limited to, applicable provisions of Federal criminal law, the False Claims Act (31 U.S.C. § 3729 et. seq.) and the anti-kickback statute (section 1128B(b) of the Social Security Act);
(d) all applicable state and federal laws and regulations designed to protect Medica member privacy including, but not limited to: (i) the Health Insurance Portability and Accountability Act of 1996 and administrative simplification rules promulgated thereunder at 45 CFR parts 160, 162, and 164, as amended ("HIPAA"); and (ii) the Health Care Administrative Simplification Act of 1994, Minnesota Statutes, section 62J.50 et. seq., as amended; and
(e) the definition of Medical Necessity in Minnesota Rules Part 9505.0175, Subpart 25, for the provision of health services, and additionally, for the provision of mental health services, the definition of Medical Necessity in Minnesota Statutes, § 62Q.53, where applicable.

13. Records. Provider will prepare and maintain accurate and timely medical records and information for all Members who receive services from Provider. Provider will ensure that Members have timely access to medical records and information that pertain to them. Provider agrees to document in a prominent place in the Member’s medical record whether or not the Member has executed an Advance Directive. Provider will safeguard the privacy of any health information that identifies a Member and will abide by all federal and state laws, regulations and sub-regulatory guidance regarding privacy, confidentiality and disclosure of medical records and other health and member
information. Provider shall maintain records arising out of or related to the Agreement and the CMS Contract and the DHS Contract for at least ten (10) years from the date of termination or expiration of the Agreement or final audit, whichever is later, or such longer period required by law or regulation.

14. Government Access to Records. CMS, the Secretary of Health and Human Services (“HHS”) Inspector General, the Comptroller General, and DHS, or their designees, will have the right to audit, evaluate and inspect any premises, physical facilities, equipment, books, contracts, computer or electrical systems, medical records, patient care documentation and other records belonging to Provider that pertain to the Provider’s agreement with Medica and other program related matters deemed necessary by the person conducting the audit, evaluation, or inspection, consistent with 42 CFR § 438.3(h). If CMS, HHS Inspector General, the Comptroller General, or DHS, or their designees, determine that there is a reasonable probability of fraud or similar risk, CMS, HHS Inspector General, the Comptroller General, or DHS, or their designees, may audit the Provider at any time. This right will extend through ten (10) years from the date of termination or expiration of the Agreement or final audit, whichever is later, or longer in certain circumstances as required by law or regulation.

15. Medica Access to Records. Provider shall grant Medica or its designees such audit, evaluation, and inspection rights identified in Section 14 herein, as are necessary for Medica to comply with its obligations under the CMS Contract and the DHS Contract. Whenever possible, Medica will give Provider reasonable notice of the need for such audit, evaluation or inspection, and will conduct such audit, evaluation or inspection at a reasonable time and place.

16. State Audits. Subject to Sections 13 and 14, with respect to Medica’s Medicaid and state government programs products, Provider acknowledges and agrees that under Minnesota Statutes, § 16C.05, Subd. 5, the books, records, documents, and accounting procedures and practices of the Provider relevant to the DHS Contract shall be made available and subject to examination by the state, including DHS, the Legislative Auditor, and State Auditor for a minimum of six (6) years from the end of the final date of the applicable DHS Contract period in effect at the time the records were created.

17. Screening and Enrollment. Provider must comply with disclosure, screening and enrollment requirements in accordance with the DHS Contract and 42 CFR § 455.

18. Overpayments. Upon Provider’s identification of an overpayment from Medica, Provider must report to Medica receipt of the overpayment, return the overpayment to Medica within sixty (60) calendar days after the date Provider identifies the overpayment, and notify Medica of the reason for the overpayment, pursuant to Section 1128J(d) of the Social Security Act.

19. Exception to Protocols. Any protocol that requires a Medicare Advantage Member to obtain a referral from his/her Care System/Primary Care Physician, shall not apply to the following Health Services:
(a) mammography screening;
(b) influenza vaccine; and
(c) preventive and routine services provided by women’s health specialists.

20. Member Protection Provisions. Provider will not hold financially responsible, collect or attempt to collect additional reimbursement for Health Services from any Member, except for (i) Copayments or Coinsurance, (ii) Deductibles, (iii) any service rendered by Provider that is ineligible for coverage under the Member’s Benefit Contract; provided, however, that the Member has been informed, in writing, prior to performance of the service, that the non-covered service or treatment to be rendered will be the Member’s liability and therefore, not covered under the Benefit Contract. Provider must obtain written authorization from the Member, prior to performance of the service, indicating that the Member is fully aware that the services being provided may not or will not be covered by Medica under the Member’s Benefit Contract, and indicating that the Member agrees to be financially responsible for such non-covered service or treatment if rendered.

Members receiving services at hospitals or ambulatory surgical centers may not be held liable for any service provided for an authorized procedure (e.g. anesthesiologist/radiologist).

In no event including, but not limited to, Medica’s non-payment, insolvency or breach of the Agreement, shall Provider bill, charge, collect a deposit from, seek compensation, remuneration or reimbursement from, or have any recourse against a Member or any other person(s) acting on a Member’s behalf or hold any Member financially liable for any payments or other fees that are the legal obligation of Medica under the Agreement or under Medica’s contract with CMS.

Provider will not hold Members that are eligible for both Medicare and Medicaid financially responsible for Medicare Part A and Part B Copayments, Coinsurance, or Deductibles when Medicaid is responsible for payment of such amounts. Medica will not impose cost-sharing in excess of the cost-sharing permitted under Title XIX of the Social Security Act. Providers will accept Medica’s payment for Health Services as payment in full, or will bill the appropriate State source.

21. Prompt Payment for Health Services. Medica will pay Provider for Health Services in accordance with applicable state and federal law as related to the prompt payment of claims.

22. Supplemental Recoveries. Provider must return any third party payments to Medica for certain third party liability, including Medicare and third party insurance coverage, as defined in the DHS Contract (for example, group health plans including medical, dental, pharmacy and vision, self-insured plan, managed care organizations, pharmacy benefit managers, long-term care insurance, union and other fraternal organizations and certain other state or federal programs), if Provider received a third party payment more than one hundred and eighty (180) days after the date the claim was adjudicated. Provider must
return such payment to Medica for return of such payment by Medica to DHS as required under the DHS Contract.

23. Indian Health Services. Provider will allow qualified Members to directly access any Indian Health Services facility operated by a tribe or tribunal organized under funding authorized by 25 U.S.C. Sections 450f through 450n or Title I of the Indian Self-Determination Act, Public Law Number 93-638, for services that would otherwise be covered by the Member’s Benefit Contract. No prior approval or prior authorization may be placed on such services.

24. General Request for Services. As applicable, Provider or Member may make a request for Health Services to the Member’s Medicare Advantage Care System (“System”) or Medica, as appropriate. System will evaluate such request, within a timeframe, at the discretion of Medica, that will allow completion of the initial review within ten (10) working days, or shorter time period as required by law. System will promptly communicate its decision to approve a request to Provider by telephone and in accordance with law, the CMS Contract, the DHS Contract, and the Administrative Requirements from Medica (collectively referred to as “Utilization Review Requirements”). System will promptly submit requests that it does not approve to Medica for review by Medica. Medica will notify Provider of an approval of its review of a request by telephone and in accordance with the Utilization Review Requirements. If the decision from Medica is to deny the request, Medica will notify Provider and Member, or his or her authorized representative, in accordance with the Utilization Review Requirements. Each party must notify the other party of any information it has regarding applicable law. The Member, or Provider on behalf of the Member, may appeal the decision from Medica in accordance with the Complaints and Appeals process described in the Benefit Contract and in the CMS Contract and DHS Contract.

25. Access to Health Services. Provider will, in accordance with the standards set forth below, provide Health Services:

(a) Emergency Services. Emergency Services and Post-Stabilization Care Services will be available to Members twenty-four (24) hours per day and seven (7) days per week, including a twenty-four (24) hours per day number for Members to call in case of Medical Emergency or an Emergency Medical Condition.

(b) Urgent Services. Urgent Services will be made available to Members twenty-four (24) hours per day and seven (7) days per week. Appointment times for Urgent Services will be made available to Members within twenty-four (24) hours of the time services are requested.

(c) Routine and Preventive Services. Appointment times for routine and preventive services will not exceed forty-five (45) days from the date of a Member’s request for routine and preventive services.
(d) Specialty Care. Appointments for a specialist will be made in accordance with the
time frame appropriate for the needs of the Member, or the generally accepted
community standards.

(e) Lab and X-Ray Services. Appointment times for lab and x-ray services will not
exceed sixty (60) days for regular appointments and forty-eight (48) hours for
Urgent Services.

26. Accessibility for Disabled Members. Provider will comply with applicable
and regulations promulgated pursuant to it. Provider will also comply with 28 CFR
§ 35.130(d), which requires that services, programs, and activities be provided in the
most integrated setting appropriate to the needs of Members with disabilities. Provider
also will take reasonable steps to ensure meaningful access by Limited English Proficient
Persons (LEPs). The following four factors shall be considered: (1) the number or
proportion of LEP persons eligible to be served; (2) the frequency with which LEP
individuals come in contact with the Provider; (3) the nature and importance of the
program, activity, or service provided by the program to people's lives; and (4) the
resources available to the Provider, and costs.

27. Member Rights. Provider will comply with any applicable state and federal laws that
pertain to Member rights and, when providing services to a Member, ensure the
Member’s right to:

(a) Receive information pursuant to 42 CFR § 438.10;

(b) Be treated with respect and with due consideration for the Member's dignity and
privacy;

(c) Receive information on available treatment options and alternatives, presented in
a manner appropriate to the Member’s condition and ability to understand;

(d) Participate in decisions regarding his or her health care, including the right to
refuse treatment;

(e) Be free from any form of restraint or seclusion used as a means of coercion,
discipline, convenience or retaliation, as specified in other federal regulations on
the use of restraints and seclusion;

(f) Request and receive a copy of his or her medical records pursuant to state law and
45 CFR Parts 160 and 164, subparts A and E, and request to amend or correct the
record as specified in 45 CFR §§ 164.524 and 164.526;

(g) Be furnished health care services in accordance with 42 CFR § 438.206 through
§ 438.210; and
(h) Be free to exercise his or her rights and that the exercise of these rights will not adversely affect the way the Member is treated.

For more information on Member Rights as they apply to the Medicare and Minnesota Health Care Program products by Medica click on the links below:
- [Minnesota Health Care Programs Member Rights and Responsibilities](#)
- [Medicare Members and Senior Members Rights and Responsibilities](#)

28. **Medical Error Reporting.** Medica encourages hospital Providers to report through Leapfrog, a national patient safety initiative, and develop and implement patient safety policies to systematically reduce medical errors. Such policies may include systems for reporting errors, and systems analysis to discover and implement error-reducing technologies.

29. **Vulnerable Persons Reporting.** Provider is, and will ensure that its employees and subcontractors who are mandated reporters are, aware of the duty to report the suspected maltreatment of a vulnerable adult or child as required under Minnesota Statutes, §§ 626.556 or 626.557.

30. **Medicare Outpatient Observation Notice.** Hospitals, including critical access hospitals (CAH), will provide written and oral notification to all Members receiving observation services as outpatients for more than 24 hours that they are an outpatient receiving observation services, and are not an inpatient of the hospital or CAH. Such notice must be delivered no later than 36 hours after observation services are initiated or sooner if the Member is transferred, discharged, or admitted. For more information on the required notice, see the link below.

31. **Lobbying Disclosure.** Provider will and will require that its subcontracted providers, if any, certify that, to the best of their knowledge, understanding, and belief:

   No federal appropriated funds have been paid or will be paid for salary, expenses or otherwise by or on behalf of Provider or, as applicable, any subcontracted provider to any person influencing or attempting to influence an officer or employee of an agency, a member of Congress or state legislature, an officer or employee of Congress or state legislature, or an employee of a member of Congress or state legislature in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, the modification of any federal contract, grant, loan, or cooperative agreement, or in any activity designed to influence legislation or appropriations pending before Congress or state legislature.

   If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any federal agency, a member of Congress, an officer or employee of Congress, or an employee of a
member of Congress in connection with federal government health care program products, Provider will and, as applicable will require that its subcontracted providers, complete and submit Standard Form-LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions.

32. Disclosure of Business Transactions. Within fifteen (15) calendar days of a request by CMS or DHS, Provider shall disclose to Medica information related to business transactions in accordance with 42 CFR § 455.105(b). Provider’s disclosure to Medica shall include the following information:

(a) the ownership of any subcontractor with whom Provider has had business transactions totaling more than $25,000 during the 12-month period ending on the date of the request; and

(b) any Significant Business Transactions between Provider and any wholly-owned supplier, or between Provider and any subcontractor, during the 5-year period ending on the date of the request.

33. Delegated Activities. Provider acknowledges and agrees that Medica oversees and is accountable to CMS and DHS for any functions and responsibilities described in the CMS Contract and DHS Contract and applicable to Medicare, Medicaid, and state government program regulations, including those that Medica may delegate to Provider. If Medica delegates any of its functions and responsibilities under the CMS Contract or DHS Contract to Provider pursuant to a delegation agreement with Provider, the following will apply in addition to the other provisions stated in these Requirements:

(a) Provider will perform those delegated activities specified in the delegation agreement, if any, and will comply with any reporting responsibilities as set forth in such delegation agreement.

(b) If Medica has delegated to Provider the selection of health care providers to be participating providers in the provider network of Medica for Medicare products, Medica retains the right to approve, suspend or terminate the participation status of such health care providers.

(c) If Medica has delegated to Provider any activities related to the credentialing of health care providers, Provider must comply with all applicable CMS and DHS requirements for credentialing, including but not limited to the requirement that the credentials of medical professionals must either be reviewed by Medica, or the credentialing process must be reviewed, pre-approved and audited on an ongoing basis by Medica.

(d) Provider acknowledges that Medica or its designee will monitor Provider’s performance of any delegated activities on an ongoing basis. If Medica, DHS or CMS determines that Provider has not performed satisfactorily, Medica may sanction Provider or revoke any or all delegated activities and reporting requirements. Provider acknowledges and agrees that to the extent CMS or DHS
directs revocation, Medica shall provide immediate written notice of such to Provider, and such revocation shall become effective as directed by CMS or DHS. Provider will cooperate with Medica regarding the transition of any delegated activities or reporting requirements that have been revoked by Medica. No additional financial obligations shall accrue to Medica with respect to such revoked activities from and after the date of such revocation in accordance with this section.

34. Compliance with Medica’s Contractual Obligations with CMS and DHS. To the extent that Provider participates in Medicare, Medicaid and other government funded program products of Medica, it will participate pursuant to the CMS Contract and DHS Contract under the terms and conditions agreed to by Medica, and CMS and DHS. Provider understands that this Agreement involves receipt by the Provider of payments that are, in whole or in part, from federal funds. The Provider, and all related entities, contractors and/or subcontractors are therefore subject to laws applicable to individuals and entities receiving federal funds. Any services rendered to Members under the Agreement shall be consistent and comply with Medica’s contractual obligations with CMS and DHS. Provider acknowledges and agrees that Medica oversees and maintains ultimate responsibility for adhering to and otherwise fully complying with the terms and conditions of the CMS Contract and DHS Contract and for ensuring that Provider satisfies its obligations in compliance with such contracts. In accordance with the CMS Contract and/or DHS Contract, payments to Provider may be suspended by Medica for a determination of a credible allegation of fraud against Provider.

35. Offshore Services. Provider represents that no subcontractor hereunder performs any Medicare-related work in any country that is not one of the fifty United States or one of the United States Territories (an “Offshore Subcontract”). In the event that Provider desires to enter into an Offshore Subcontract, Provider must get Medica’s prior written consent, which may be conditioned upon the consent of Medica’s regulators and Medica’s review of applicable law. If Medica gives consent to Provider to provide Offshore Services, Medica still reserves the right to later revoke that consent at Medica’s sole discretion, or if Medica is compelled to do so due to any regulatory instruction or legal requirement. Provider shall comply with all CMS and DHS requirements and instructions applicable to offshore subcontracting including, but not limited to, completing an “Offshore Subcontractor Information and Attestation Form.”

36. BC/DR Plan. To the extent Provider provides “priority services” (as defined by Medica’s contract with DHS), Provider must ensure that its BC/DR Plan: (a) includes the appointment and identification of an emergency preparedness response coordinator, and Provider shall provide Medica with the name and contact information for such individual; (b) includes the procedures for activation of the BC/DR Plan upon the occurrence of an emergency performance interruption (“EPI”); (c) ensures that Provider operations continue to provide services under the Agreement for as long as is practicable; and (d) includes reversal procedures for re-entering normal operations after an EPI. In the event of an EPI, Provider must implement its BC/DR Plan within two (2) calendar days and
Provider shall use best efforts to provide Medica with prompt notice of any EPI and the resulting efforts of such on the delivery of services under the Agreement.

37. **Deficit Reduction Act.** In accordance with section 1902(a)(68) of the Social Security Act, if Provider receives or makes annual payments under Medicaid of at least $5,000,000, Provider must:

- (a) establish written policies for all employees, managers, officers, contractors, subcontractors and agents of Provider which provide detailed information about the federal False Claims Act, administrative remedies for false claims and statements, any applicable state laws pertaining to civil or criminal penalties for false claims, and whistleblower protections under such laws, as described in section 1902(a)(68)(A);

- (b) include as part of such written policies detailed provisions regarding Provider’s policies and procedures for detecting and preventing fraud, waste and abuse; and

- (c) include in any employee handbook a specific discussion of the laws described in section 1902(a)(68)(A), the rights of employees to be protected as whistleblowers, and Provider’s policies and procedures for detecting and preventing fraud, waste, and abuse.

38. **Termination Due to Government Action.**

- (a) In the event Medica ceases to offer a Medicare product and/or terminates (and does not replace) the applicable CMS Contract, the Agreement or portion thereof may be terminated by Medica effective as of the effective date of the termination of the applicable Medicare product or CMS Contract. Additionally, in the event Medica ceases to offer a state government programs product and/or terminates (and does not replace) the applicable DHS Contract, Medica may terminate the Agreement or portion thereof effective as of the effective date of the termination of the applicable state public programs product or DHS Contract.

- (b) Medica shall be entitled to remove the applicable population served by the Agreement who are Medica members under dual eligible Medicare Advantage Special Needs Plan products, if the dual eligible Medicare Advantage Special Needs Plan contract between CMS and Medica is terminated or non-renewed, and the related dual eligible contract between DHS and Medica is terminated, unless CMS and DHS agree to the contrary.

To the extent applicable, termination of the Agreement shall be carried out in accordance with the termination requirements stated in 42 CFR § 422.506 and § 422.512.

39. **Medicare Product Payments Subject to Sequestration.** All payments to providers under Medica’s Medicare plans, including Medica Prime Solution®, Medica DUAL Solution® and any other Medicare Advantage Plan offered by Medica in the future, are subject to the federal sequestration of payments provisions. Payments to providers under
their contracts with Medica are reduced accordingly. Medica’s provider contracts require compliance with Medica’s Administrative Requirements, including this provision in the Provider Requirements for Medicare and Minnesota Health Care Programs, so please be advised that this acknowledgement of sequestration is a part of your provider contract.
