Medica Elect and Medica Essential Fact Sheet

Overview
Members in these products use either the Medica Elect® or Medica Essential℠ care system network. When enrolling, members must select a primary care clinic. A member’s care is provided by or referred by primary care clinics. Members have in-network and out-of-network benefits. Medica Elect and Medica Essential have various plan designs which include different combinations of copayments, deductibles and/or coinsurance.

Referrals and Prior Authorization
Members do not need a referral for care within their selected care system, but in most situations do need a referral for care outside their care system. See more details about Medica Elect/Essential referral requirements.

In addition, prior authorization is required for members before they see any out-of-network providers. Prior authorization may be required for certain in-network services as well. For more details:
▪ Refer to Medica prior authorization requirements located on medica.com at Providers ➔ Policies and Guidelines ➔ Prior Authorization
▪ See the full Medica Prior Authorization List located on medica.com at Providers ➔ Policies and Guidelines ➔ Prior Authorization
▪ Call the Medica Prior Authorization department at 1-800-458-5512
