Overview
Medica Select Solution® is a Medicare Select policy that utilizes the Medica Choice® network. Medicare has primary reimbursement responsibility for all inpatient and outpatient services. Medica reimburses the Medicare coinsurance and copayments, and in some instances, the Medicare deductibles.

Medica Select Solution:
- Regulated by the State of Minnesota (only available in Minnesota) which supplements Medicare coverage
- Basic and Extended Basic plans are available
- All Part A and Part B services are covered but member must use a Medica contracted provider in order for Medica to supplement Medicare benefits.
- Medicare Part A and Part B deductibles are covered under the Extended Basic plan. Optional coverage of the Medicare Part A and Part B deductibles is available under the Basic plan.
- Provides coverage for state mandated benefits.

Because claims will first be billed to Medicare, providers should follow CMS claim submission policies. CMS will apply NCDs and LCDs.
