How Do I Use My Healthy Savings Card In The Store?
1. Each week, your card is pre-loaded with $40-50 of new savings on the healthiest one-third of foods in a typical grocery store. All of the featured foods are already on your card.
   You can:
   » Access and customize your pre-made shopping list on the Healthy Savings website or app.
   » Use the email list sent to you.
   » Shop for the foods you want at any participating grocery store.
2. Scan your card or barcode in the app at checkout. All of your savings are instant!
3. When the transaction is totaled, you will see the savings printed at the bottom of the sales receipt.
What Do I Do If I Lose My Card?

You may request a new card online on the Healthy Savings website at MedicaHealthySavings.com/Help/ContactUs. Make sure to report your current card as lost and enter your mailing address in the Message field. Replacement cards may take up to 45 days to receive in the mail. In the meantime, you can print a shopping list via the My List page and use the barcode that prints at the bottom of the page at checkout.

Or, you can use the Healthy Savings mobile app to access your savings. Download the mobile app from the Apple App Store or Google Play. Have the cashier scan the barcode on the mobile app at checkout to get your instant savings. You can find the barcode on the mobile card on the My Barcode page or you can print a temporary card.

Can I Use My Healthy Savings Card And A Paper Coupon For the Same Item?

Many manufacturers will allow you to use both a Healthy Savings offer and another coupon on the same item; however, the amount of the discount will never exceed the product’s purchase price.

What If I Didn’t Get My Savings?

You may not have received savings for the following reasons:

» Your Healthy Savings card was not presented before the sale was processed
» The product(s) you purchased did not meet the terms described in the savings details
» The savings/offer had expired

If you would like to report a problem with the redemption of your savings, you may contact support to review your transaction via the Healthy Savings website. Please provide as much detail as you can about the transaction in question, including the date of the transaction and the name of the retailer, so that we may efficiently respond to your inquiry. You may even attach a copy of the receipt to your inquiry.

**Minnesota Department of Human Services (DHS)**

You have the right to file a complaint with DHS if you believe you have been discriminated against in our health care programs because of any of the following:

- race  
- color  
- national origin  
- creed  
- religion  
- sexual orientation  
- public assistance status  
- age  
- disability (including physical or mental impairment)  
- sex (including sex stereotypes and gender identity)  
- marital status

Complaints must be in writing and filed within 180 days of the date you discovered the alleged discrimination.
The complaint must contain your name and address and describe the discrimination you are complaining about. After we get your complaint, we will review it and notify you in writing about whether we have authority to investigate. If we do, we will investigate the complaint.
DHS will notify you in writing of the investigation’s outcome. You have the right to appeal the outcome if you disagree with the decision. To appeal, you must send a written request to have DHS review the investigation outcome. Be brief and state why you disagree with the decision. Include additional information you think is important.

If you file a complaint in this way, the people who work for the agency named in the complaint cannot retaliate against you. This means they cannot punish you in any way for filing a complaint. Filing a complaint in this way does not stop you from seeking out other legal or administrative actions.
