Medica Individual Choice Fact Sheet

Overview
Medica Individual Choice℠ has the broadest open-access network and service area for individual and family business (IFB) products. No referral is needed to see in-network specialists. Members can also access out-of-network providers but may have higher deductibles and coinsurance than for in-network providers. To verify which providers are included in this product’s network, see the provider directory on medica.com.

Identification Card Example (effective through 8/31/16 dates of service)

Identification Card Examples (effective starting with 9/1/16 dates of service)

Minnesota example

Wisconsin example
